HEROES

Svaka WWE super-zvezda ima svoj jedinstveni stil. Od onih najvećih džinova ringa, kao što su Undertaker i Triple H, pa do zvezde u usponu, Reja Mistirija, i ekstremnog Boogeyman-a, svi oni imaju nešto zajedničko. Kada dođe trenutak da dokažu koliko vrede, svaka super-zvezda ima šta da pokaže.

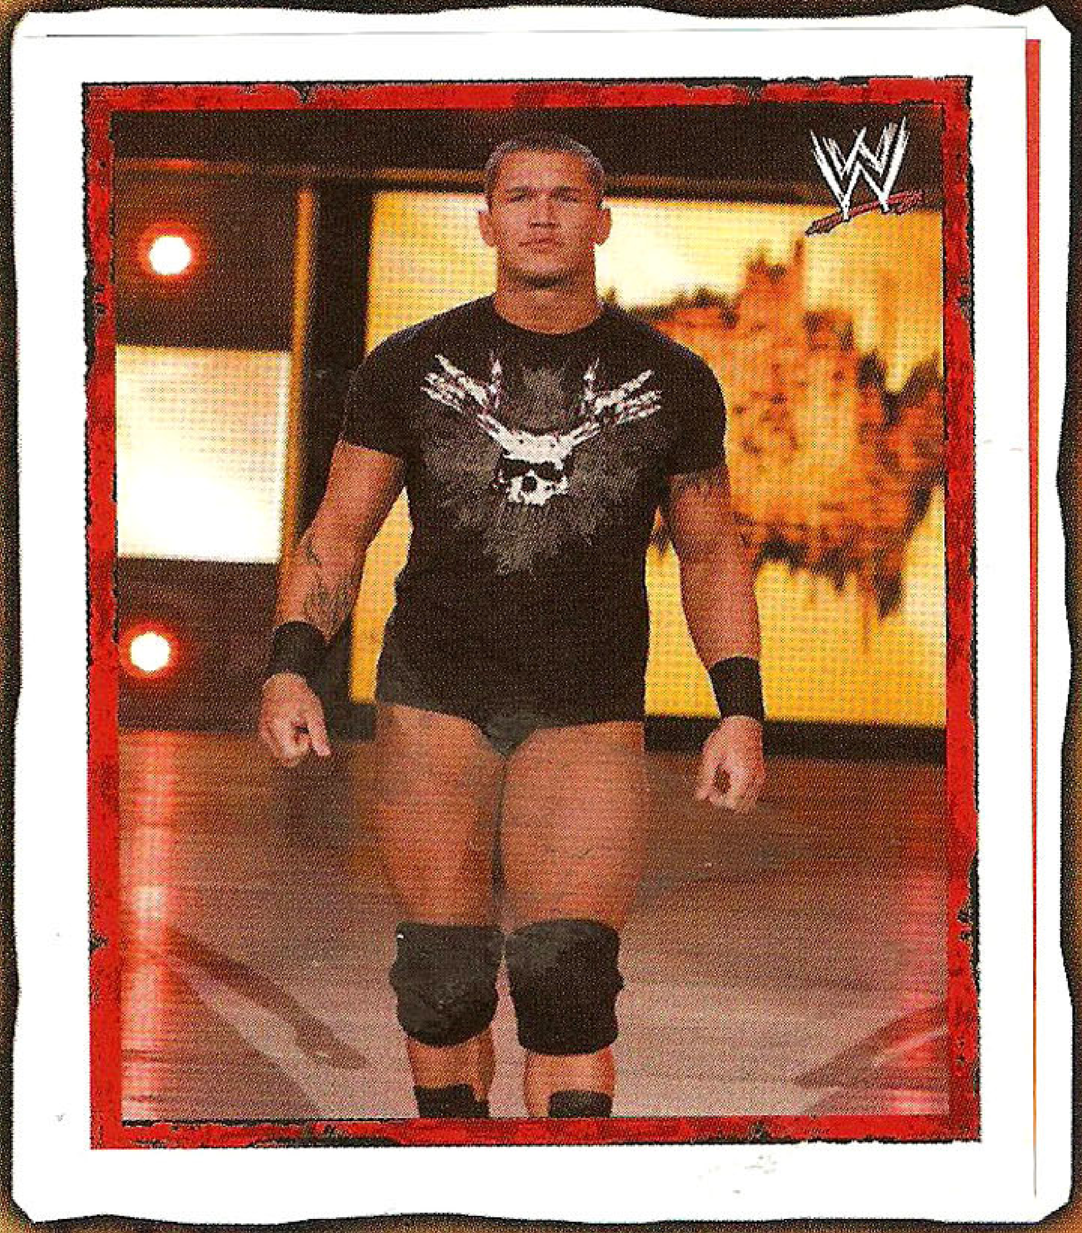

Ponekad je krajnji ishod slavna pobeda, a nekad se bitka završi porazom, ali nema ni trunke sumnje da su sve WWE super-zvezde pravi heroji...

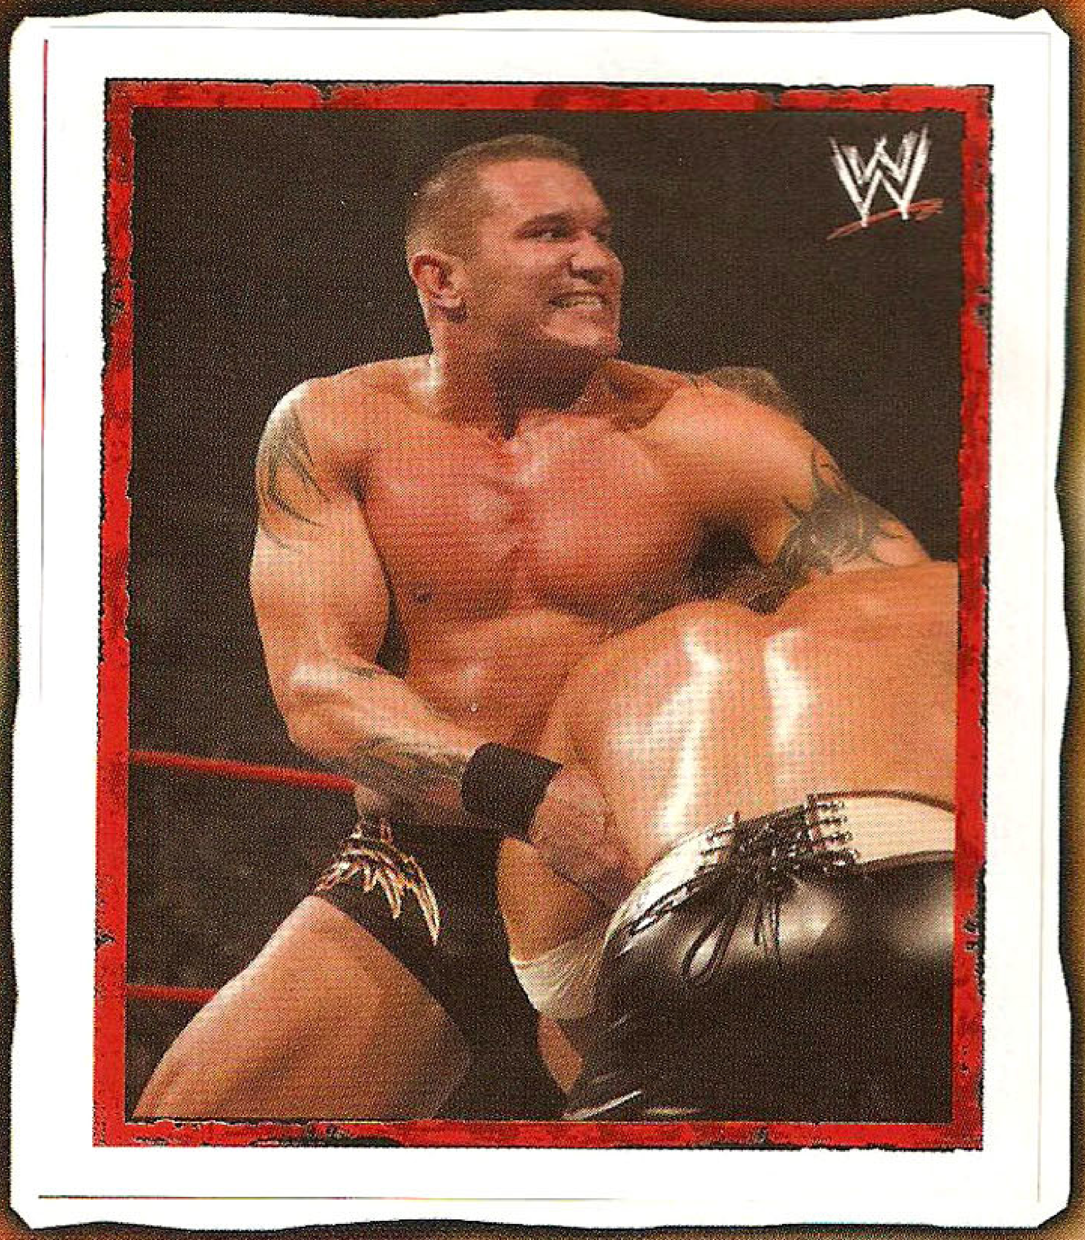

HEROES

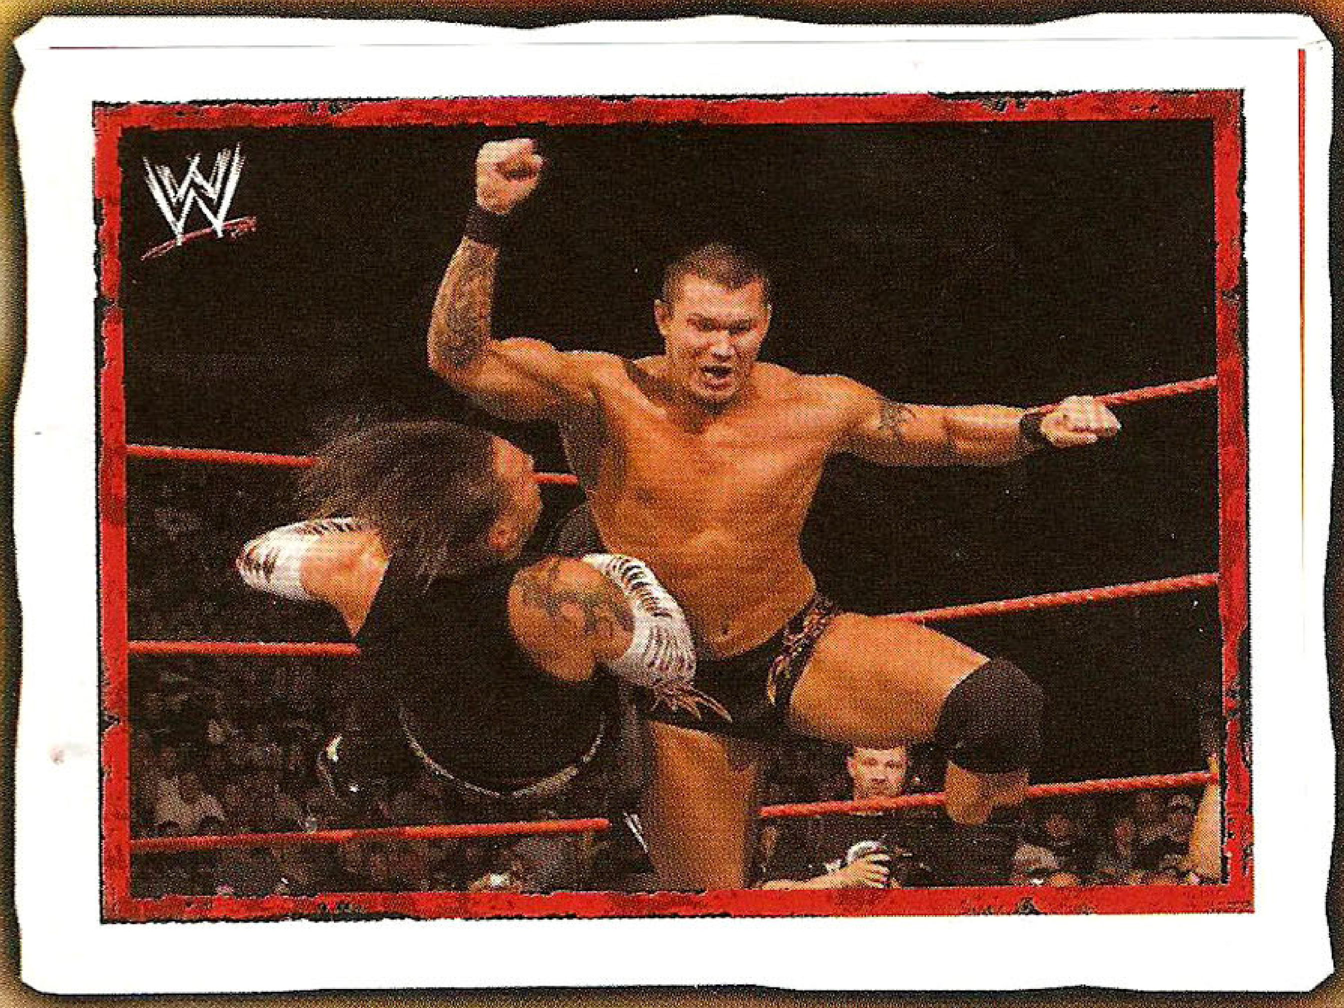

RANDY ORTON

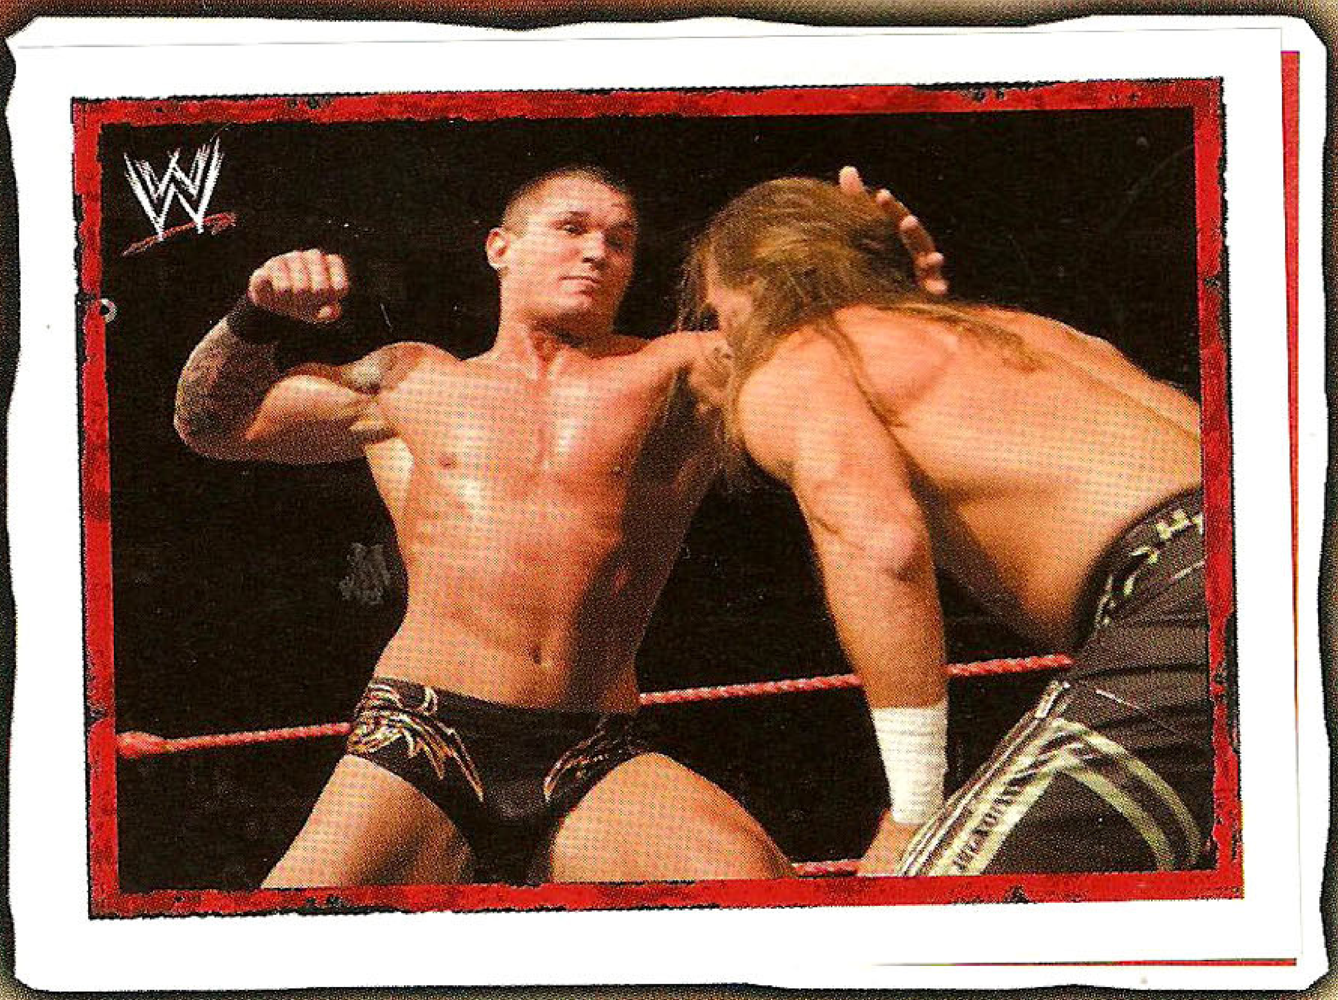

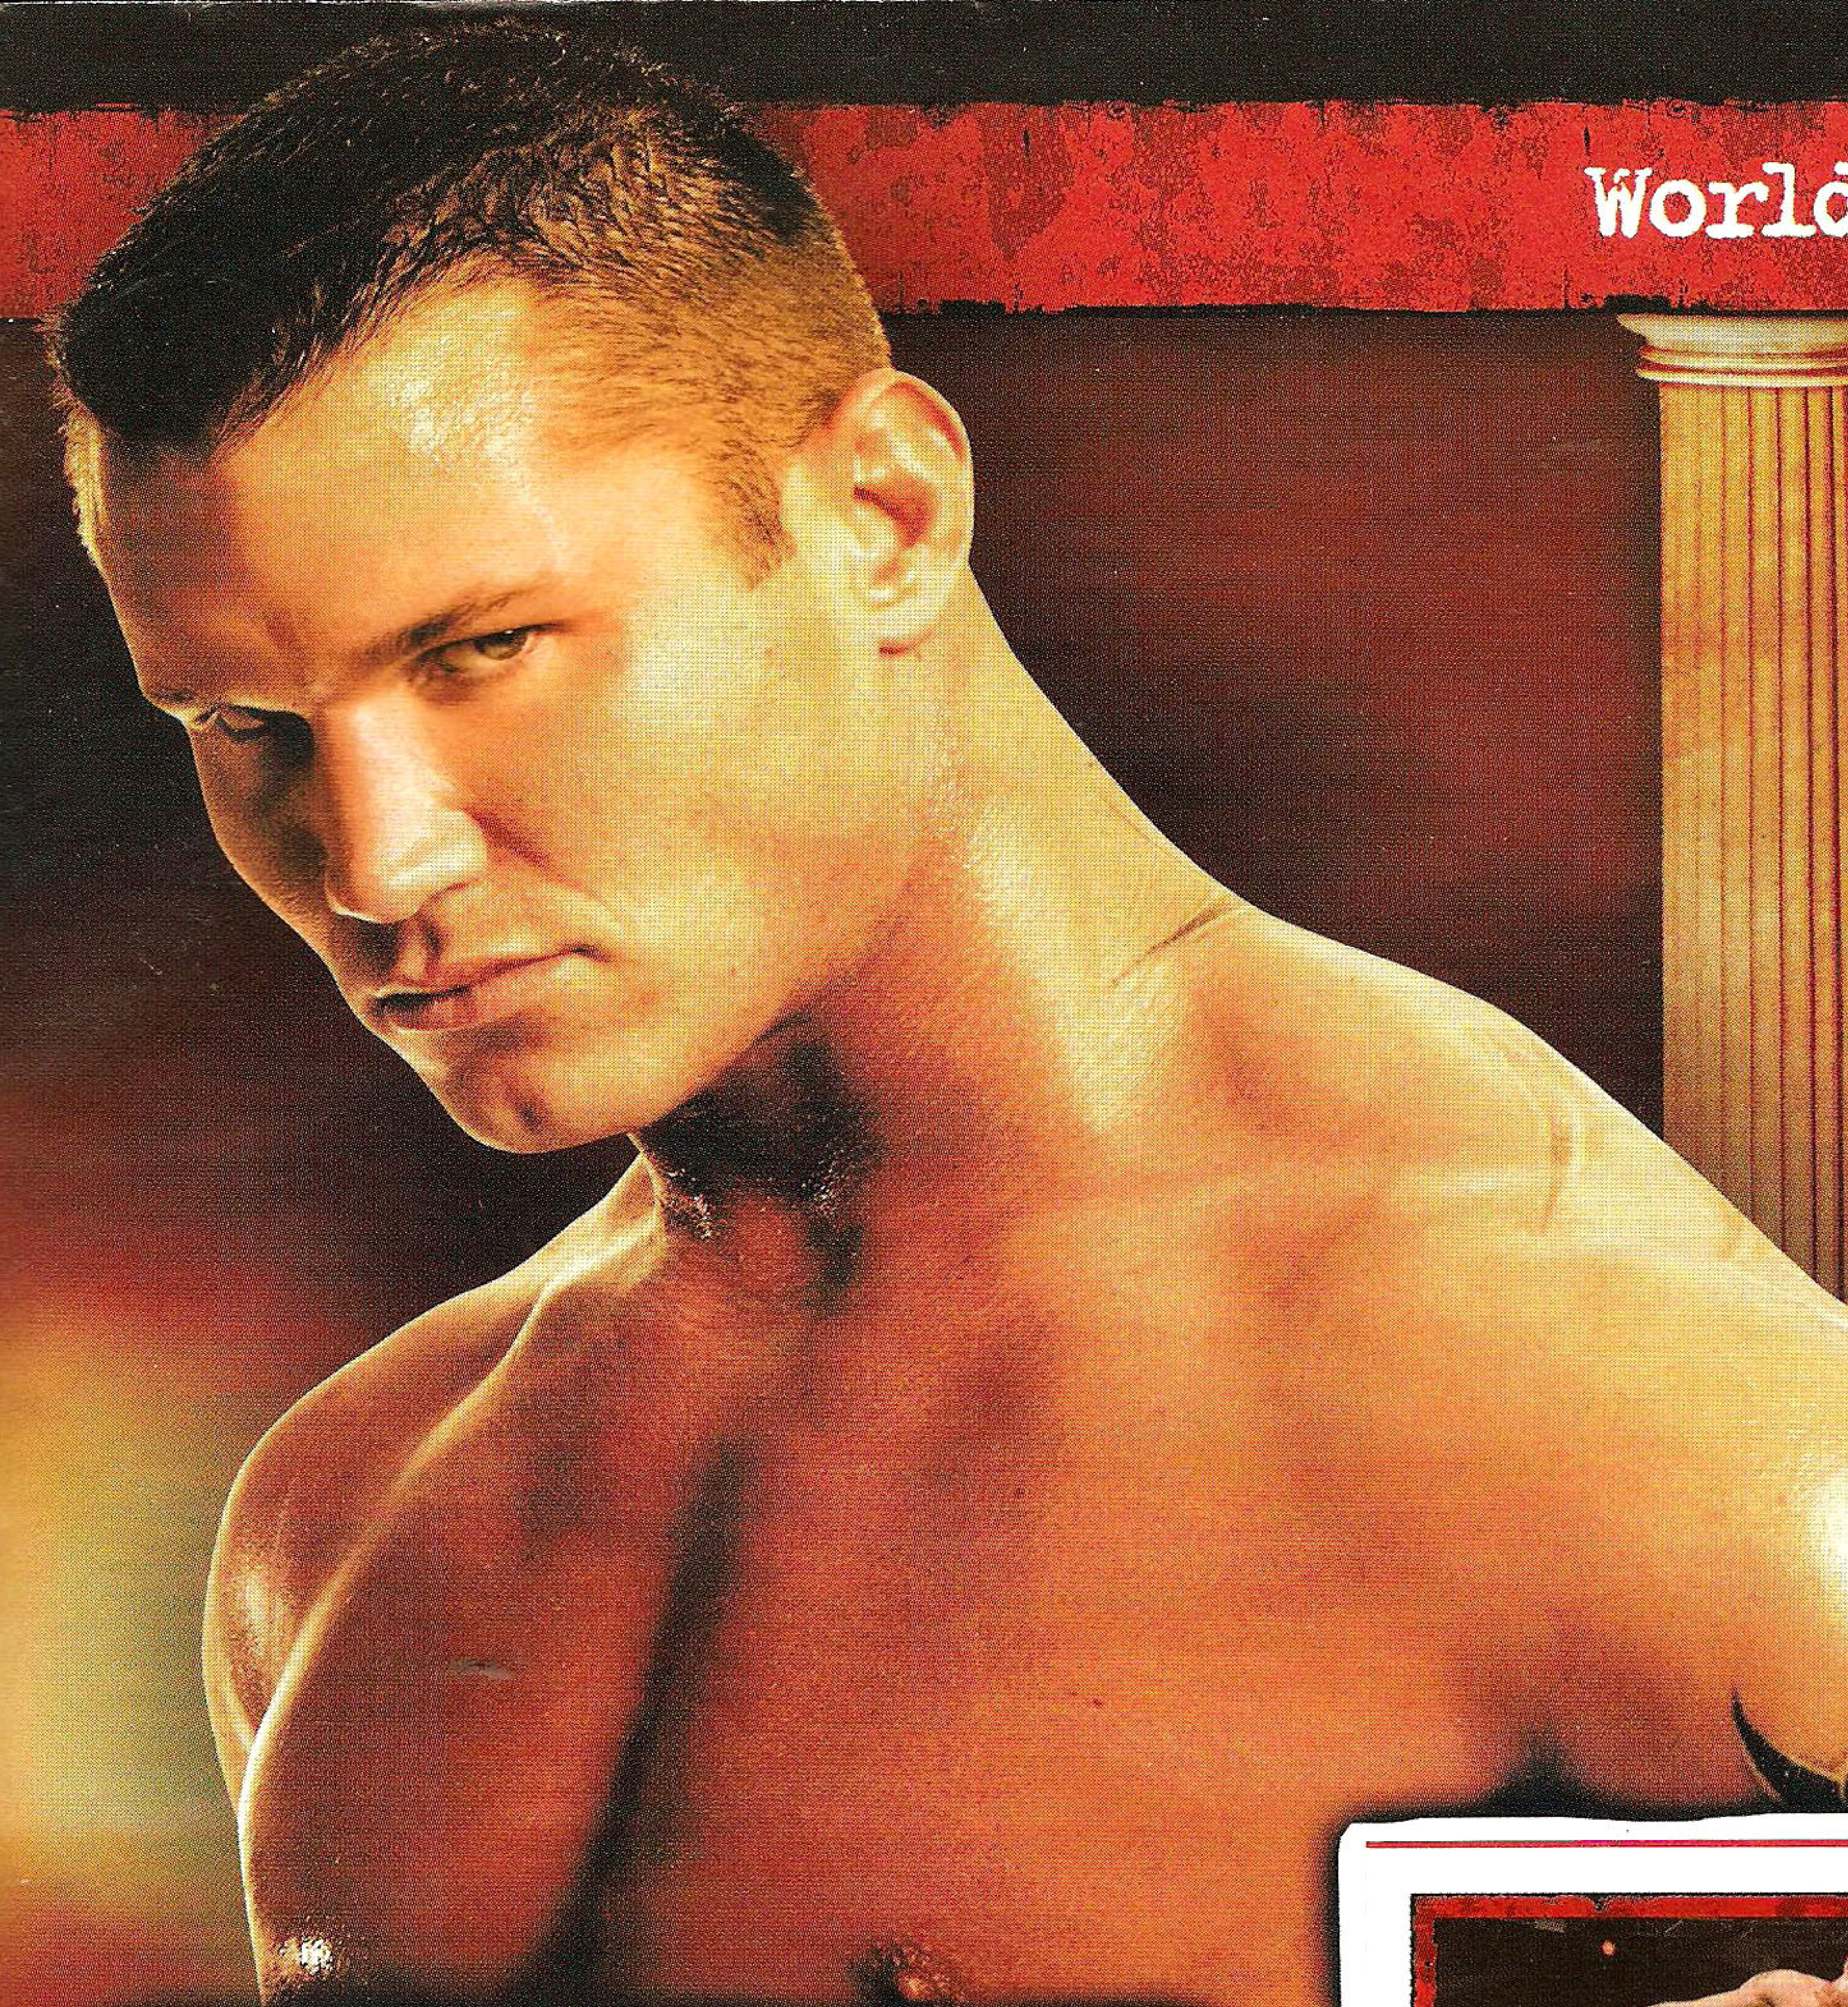

Posle pojavljivanja u SmackDown-u 2002. godine, Rendi Orton se brzo probio do pozicije šampiona. U Summer Slam-u 2004. godine Orton je oduševio fanove postavši najmlađi svetski šampion u teškoj kategoriji u istoriji. Njegova sposobnost da patosira najslavnije super-zvezde donela mu je nadimak Legendarni ubica.

Još jednom je privukao pažnju svojom veličinom kada je osvojio WWE šampionat protiv Triple H-a na No Mercy 2007. godine.

DA LI STE ZNALI?

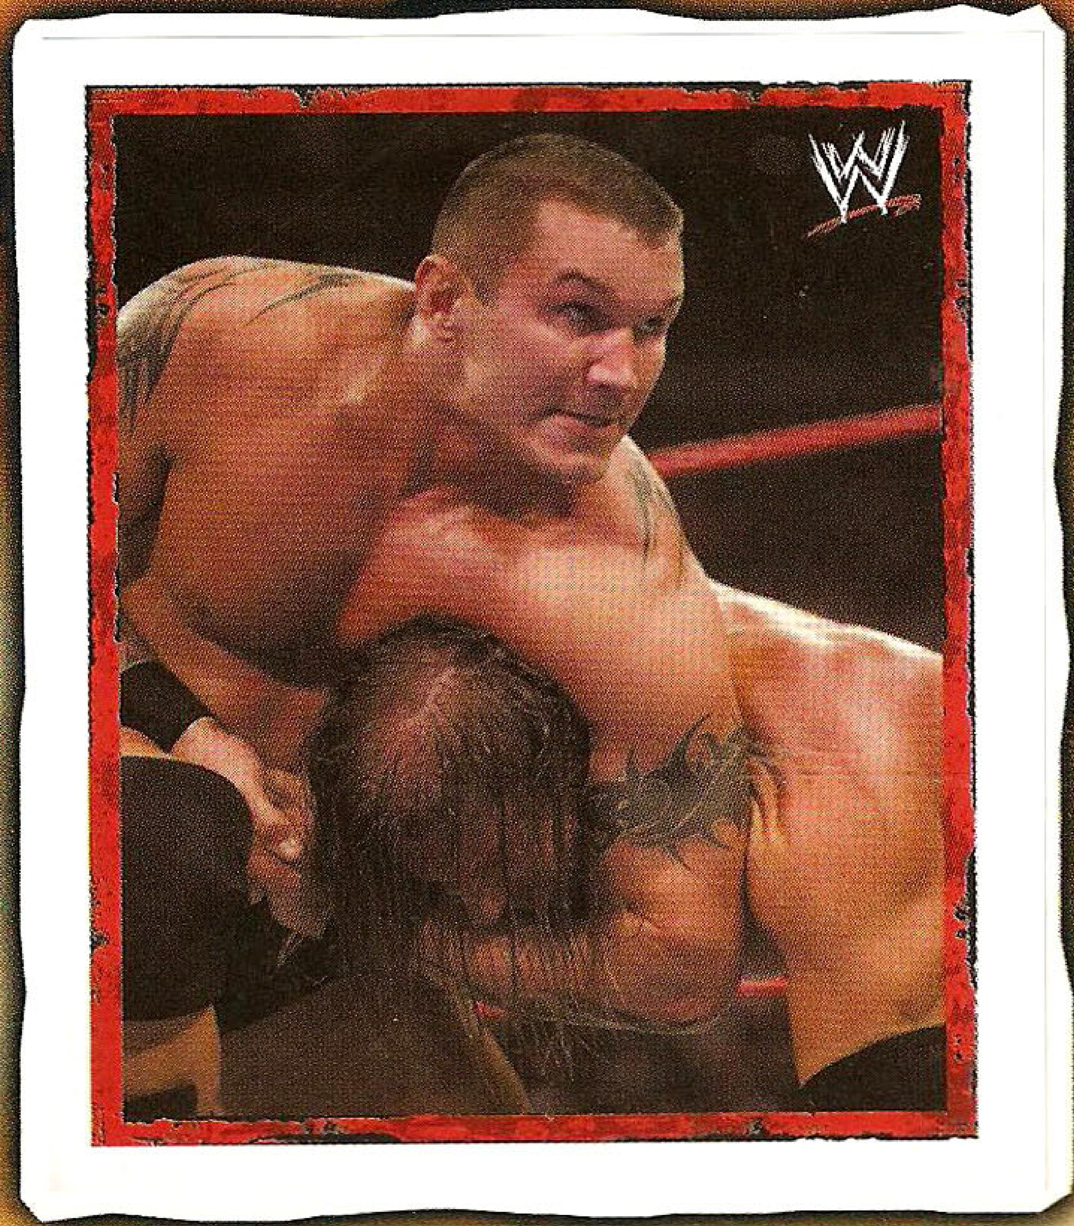

Rendi je postao najmlađi svetski šampion u teškoj kategoriji u istoriji pobedom na SummerSlam-u 2004. godine. Međutim, njegova vladavina je trajala samo 28 dana, jer je Triple H pobedio bivšeg kolegu iz Evolucije na Unforgiven 2004. godine i uzeo mu titulu.

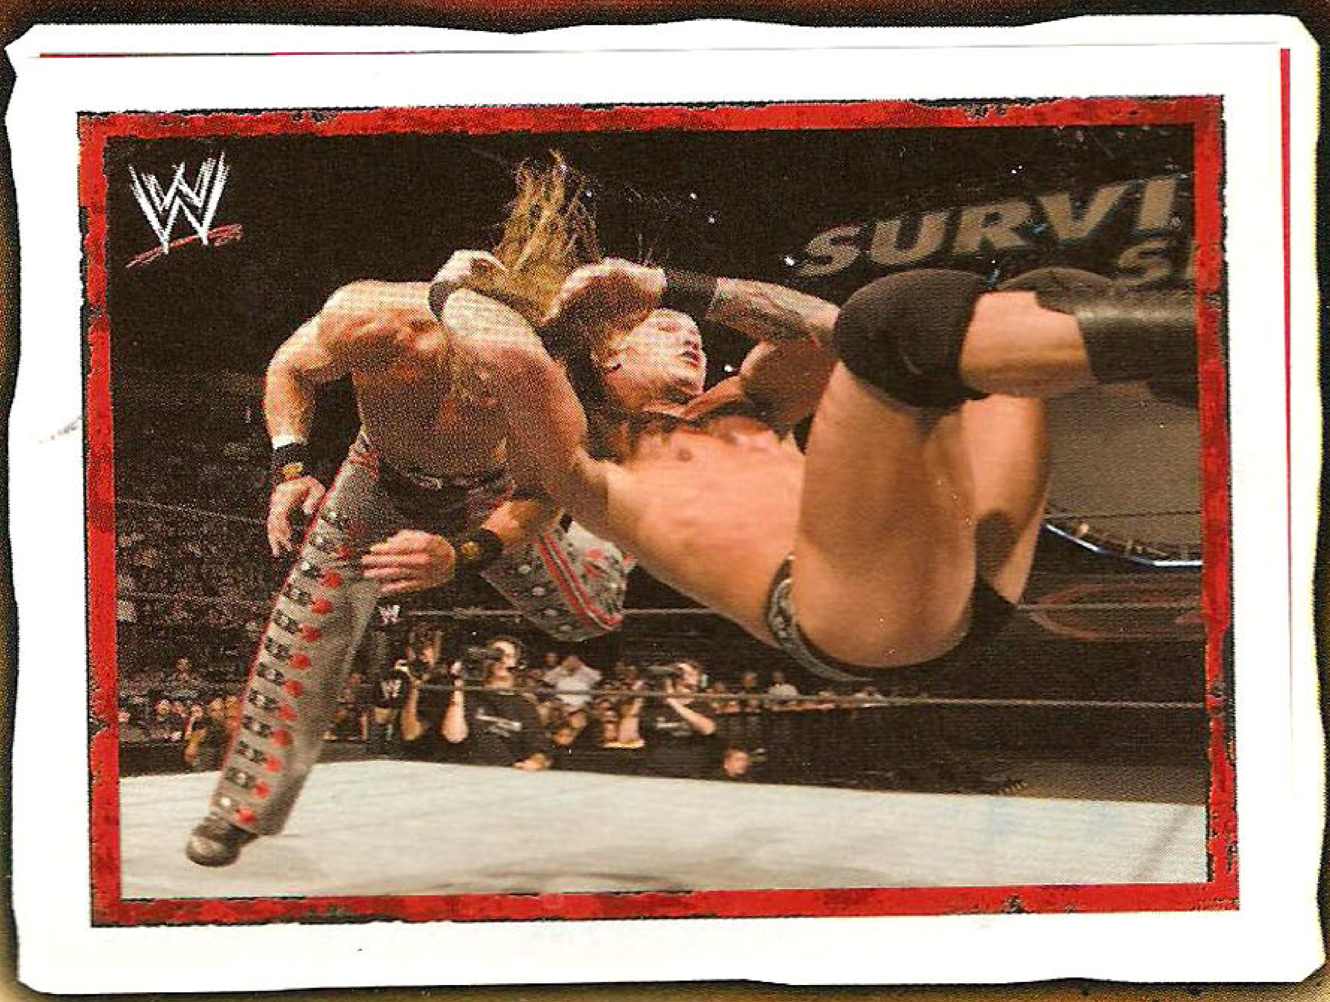

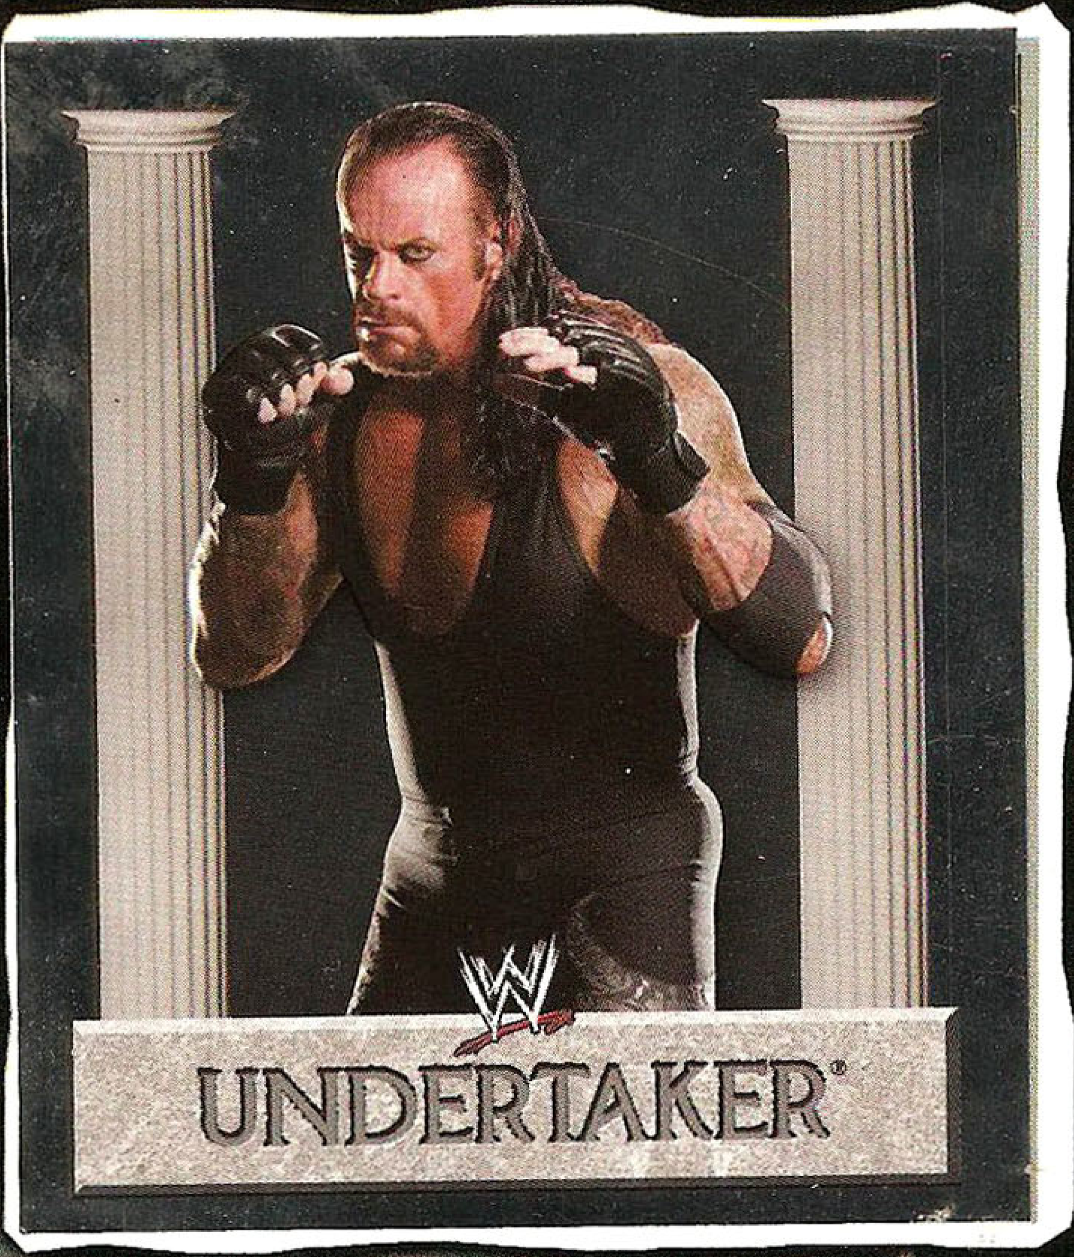

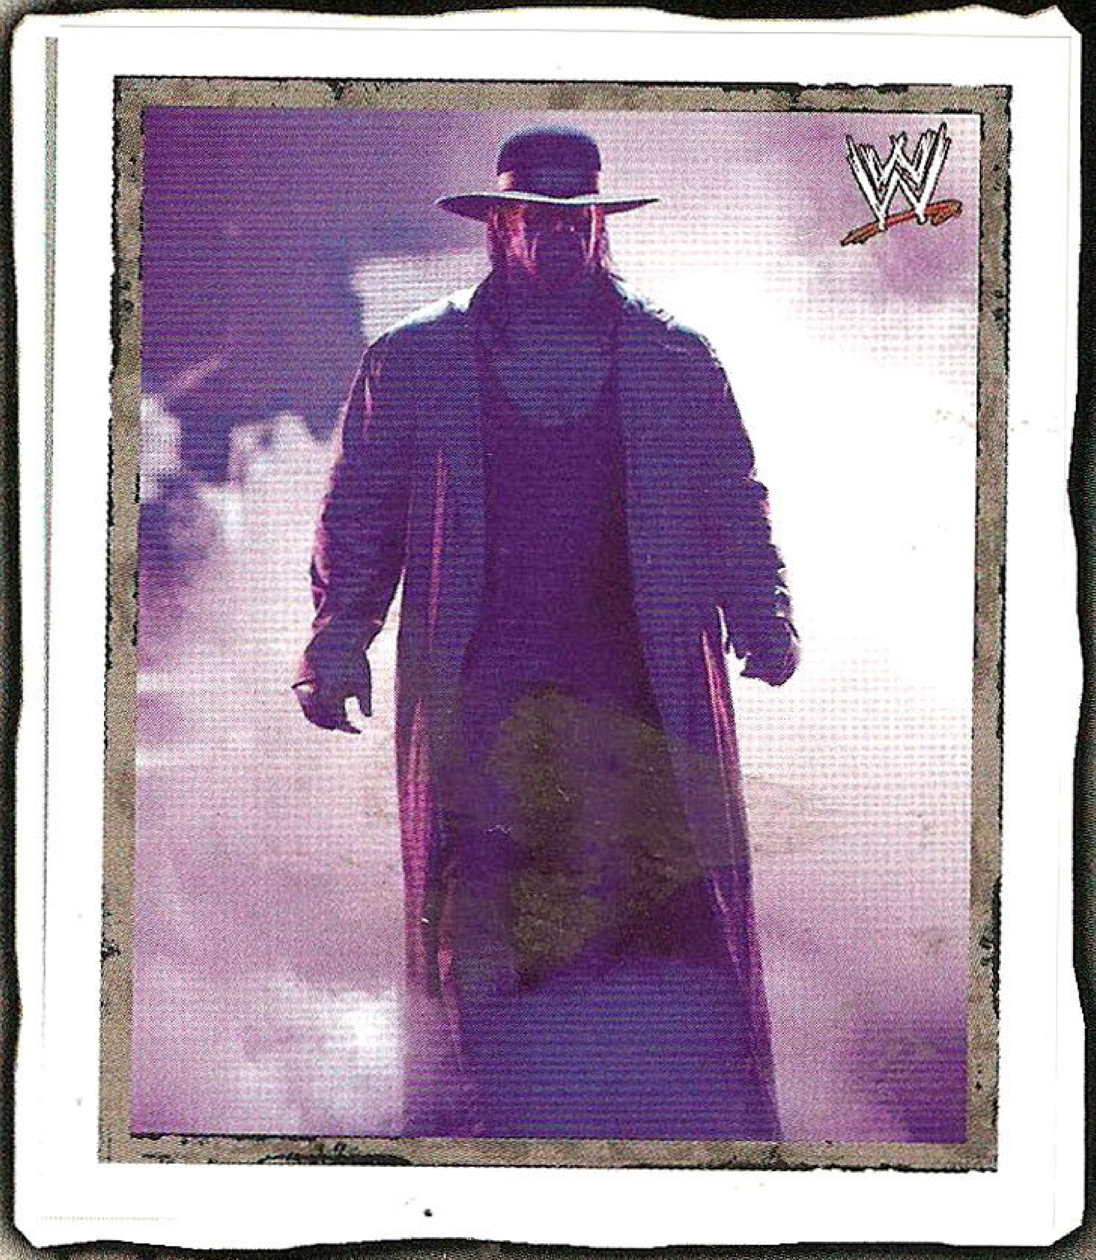

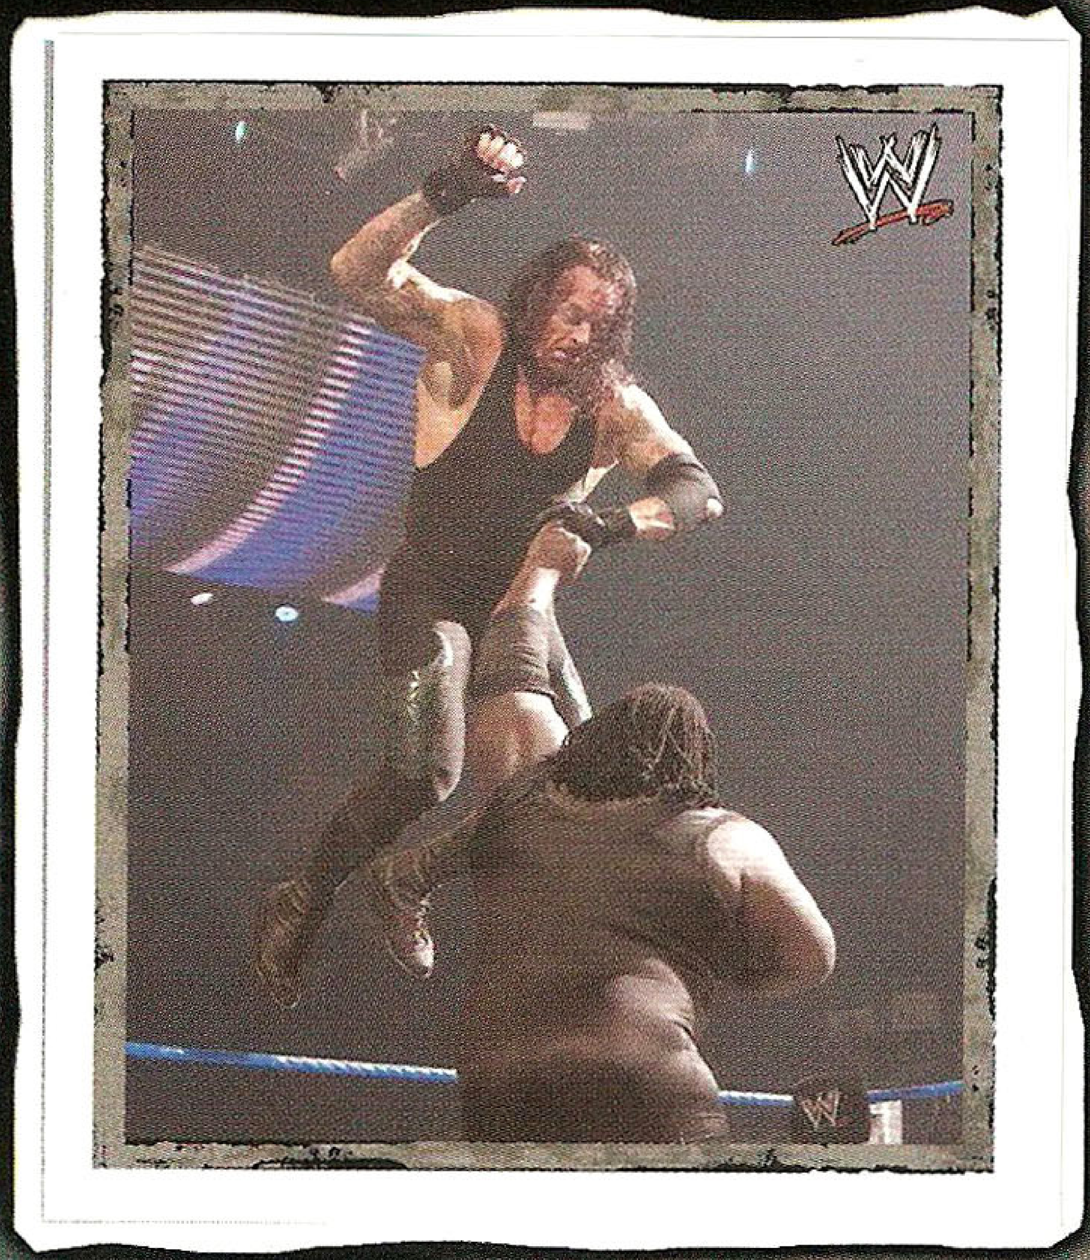

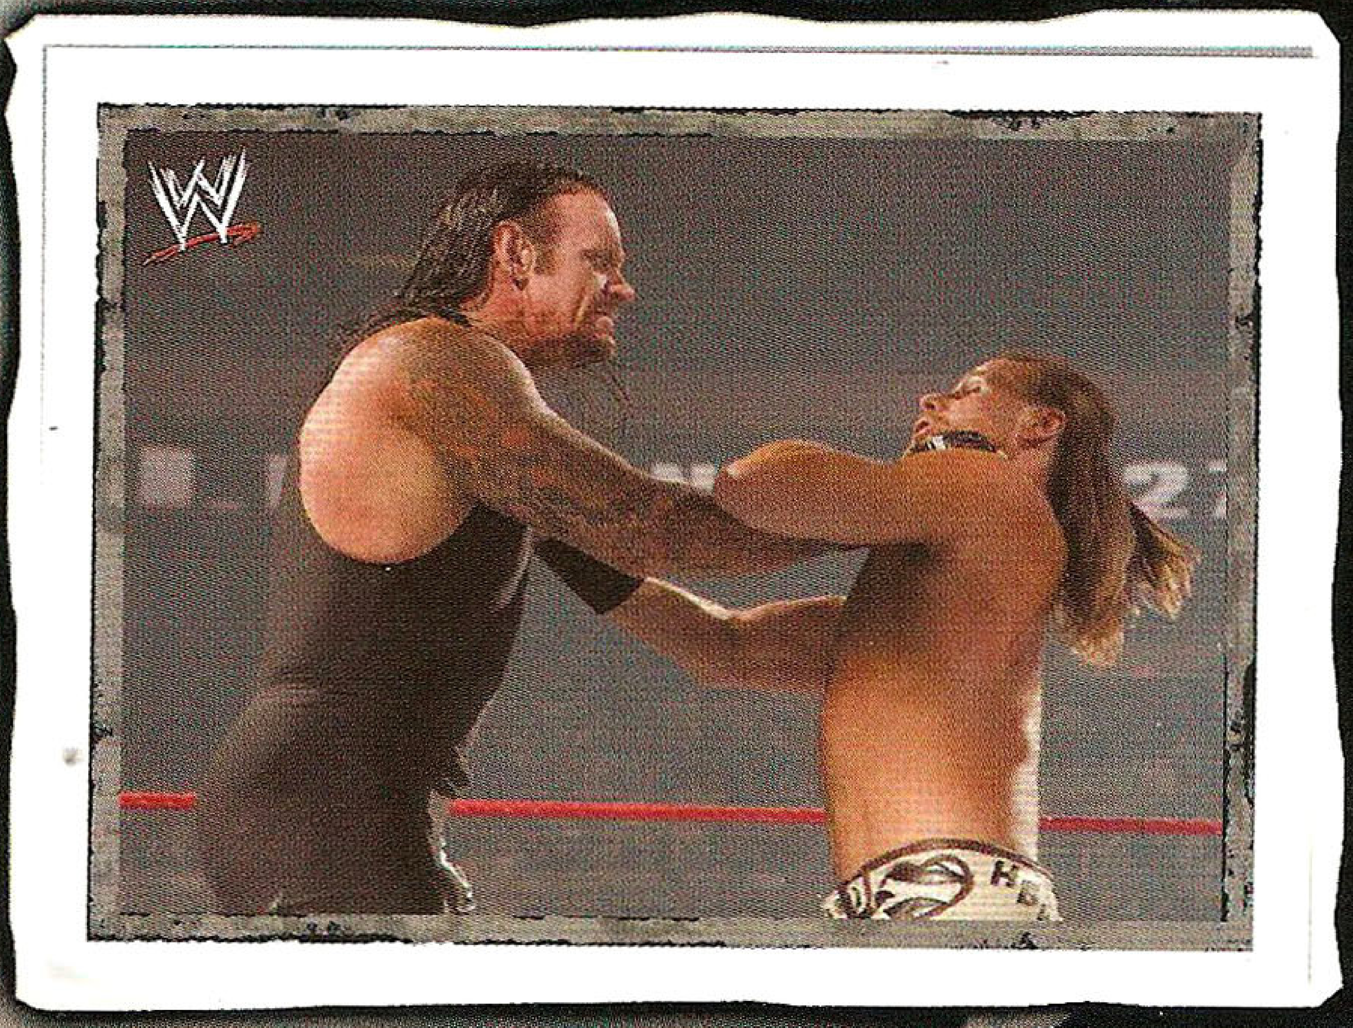

UNDERTAKER®

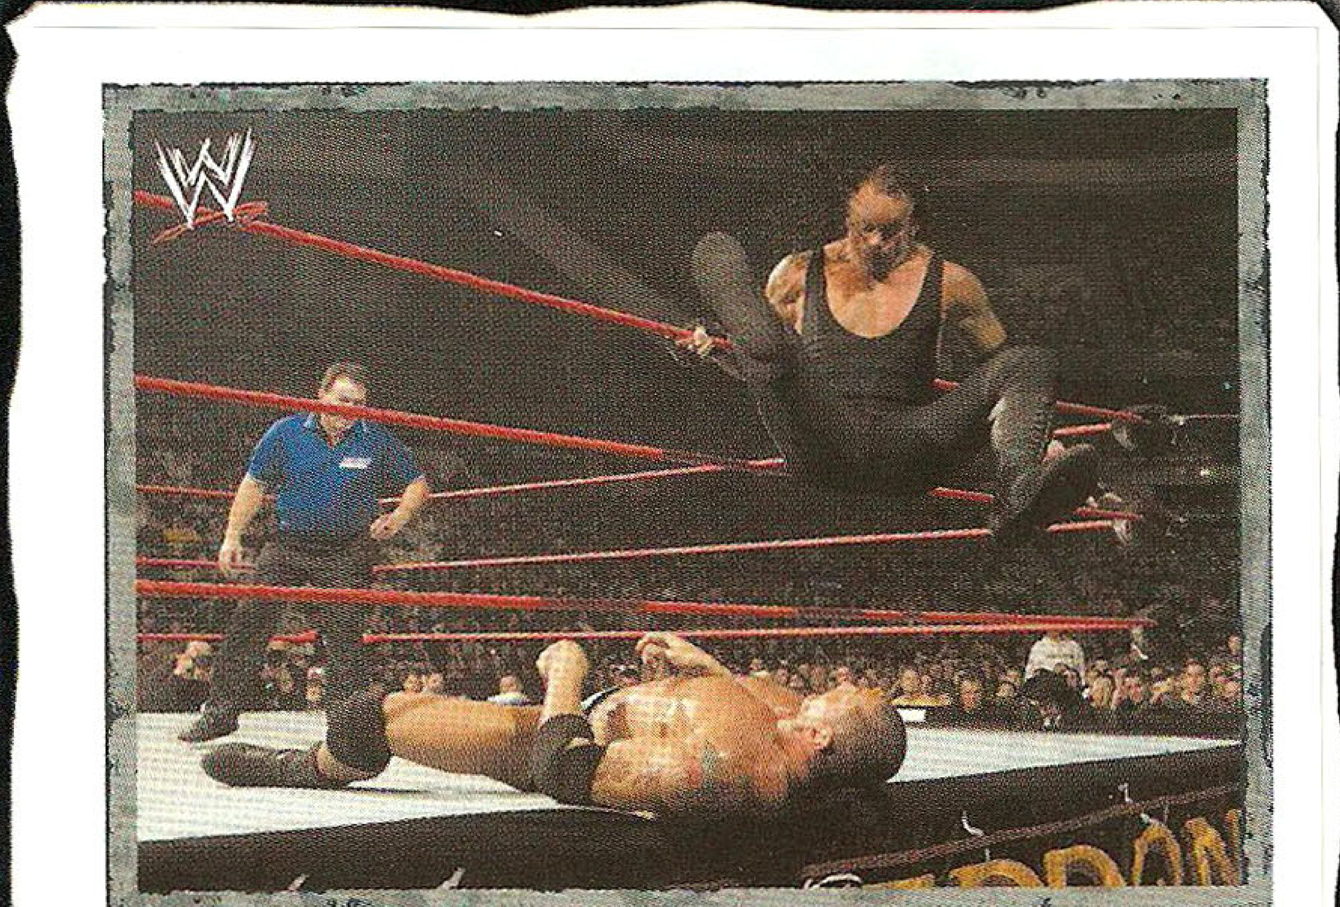

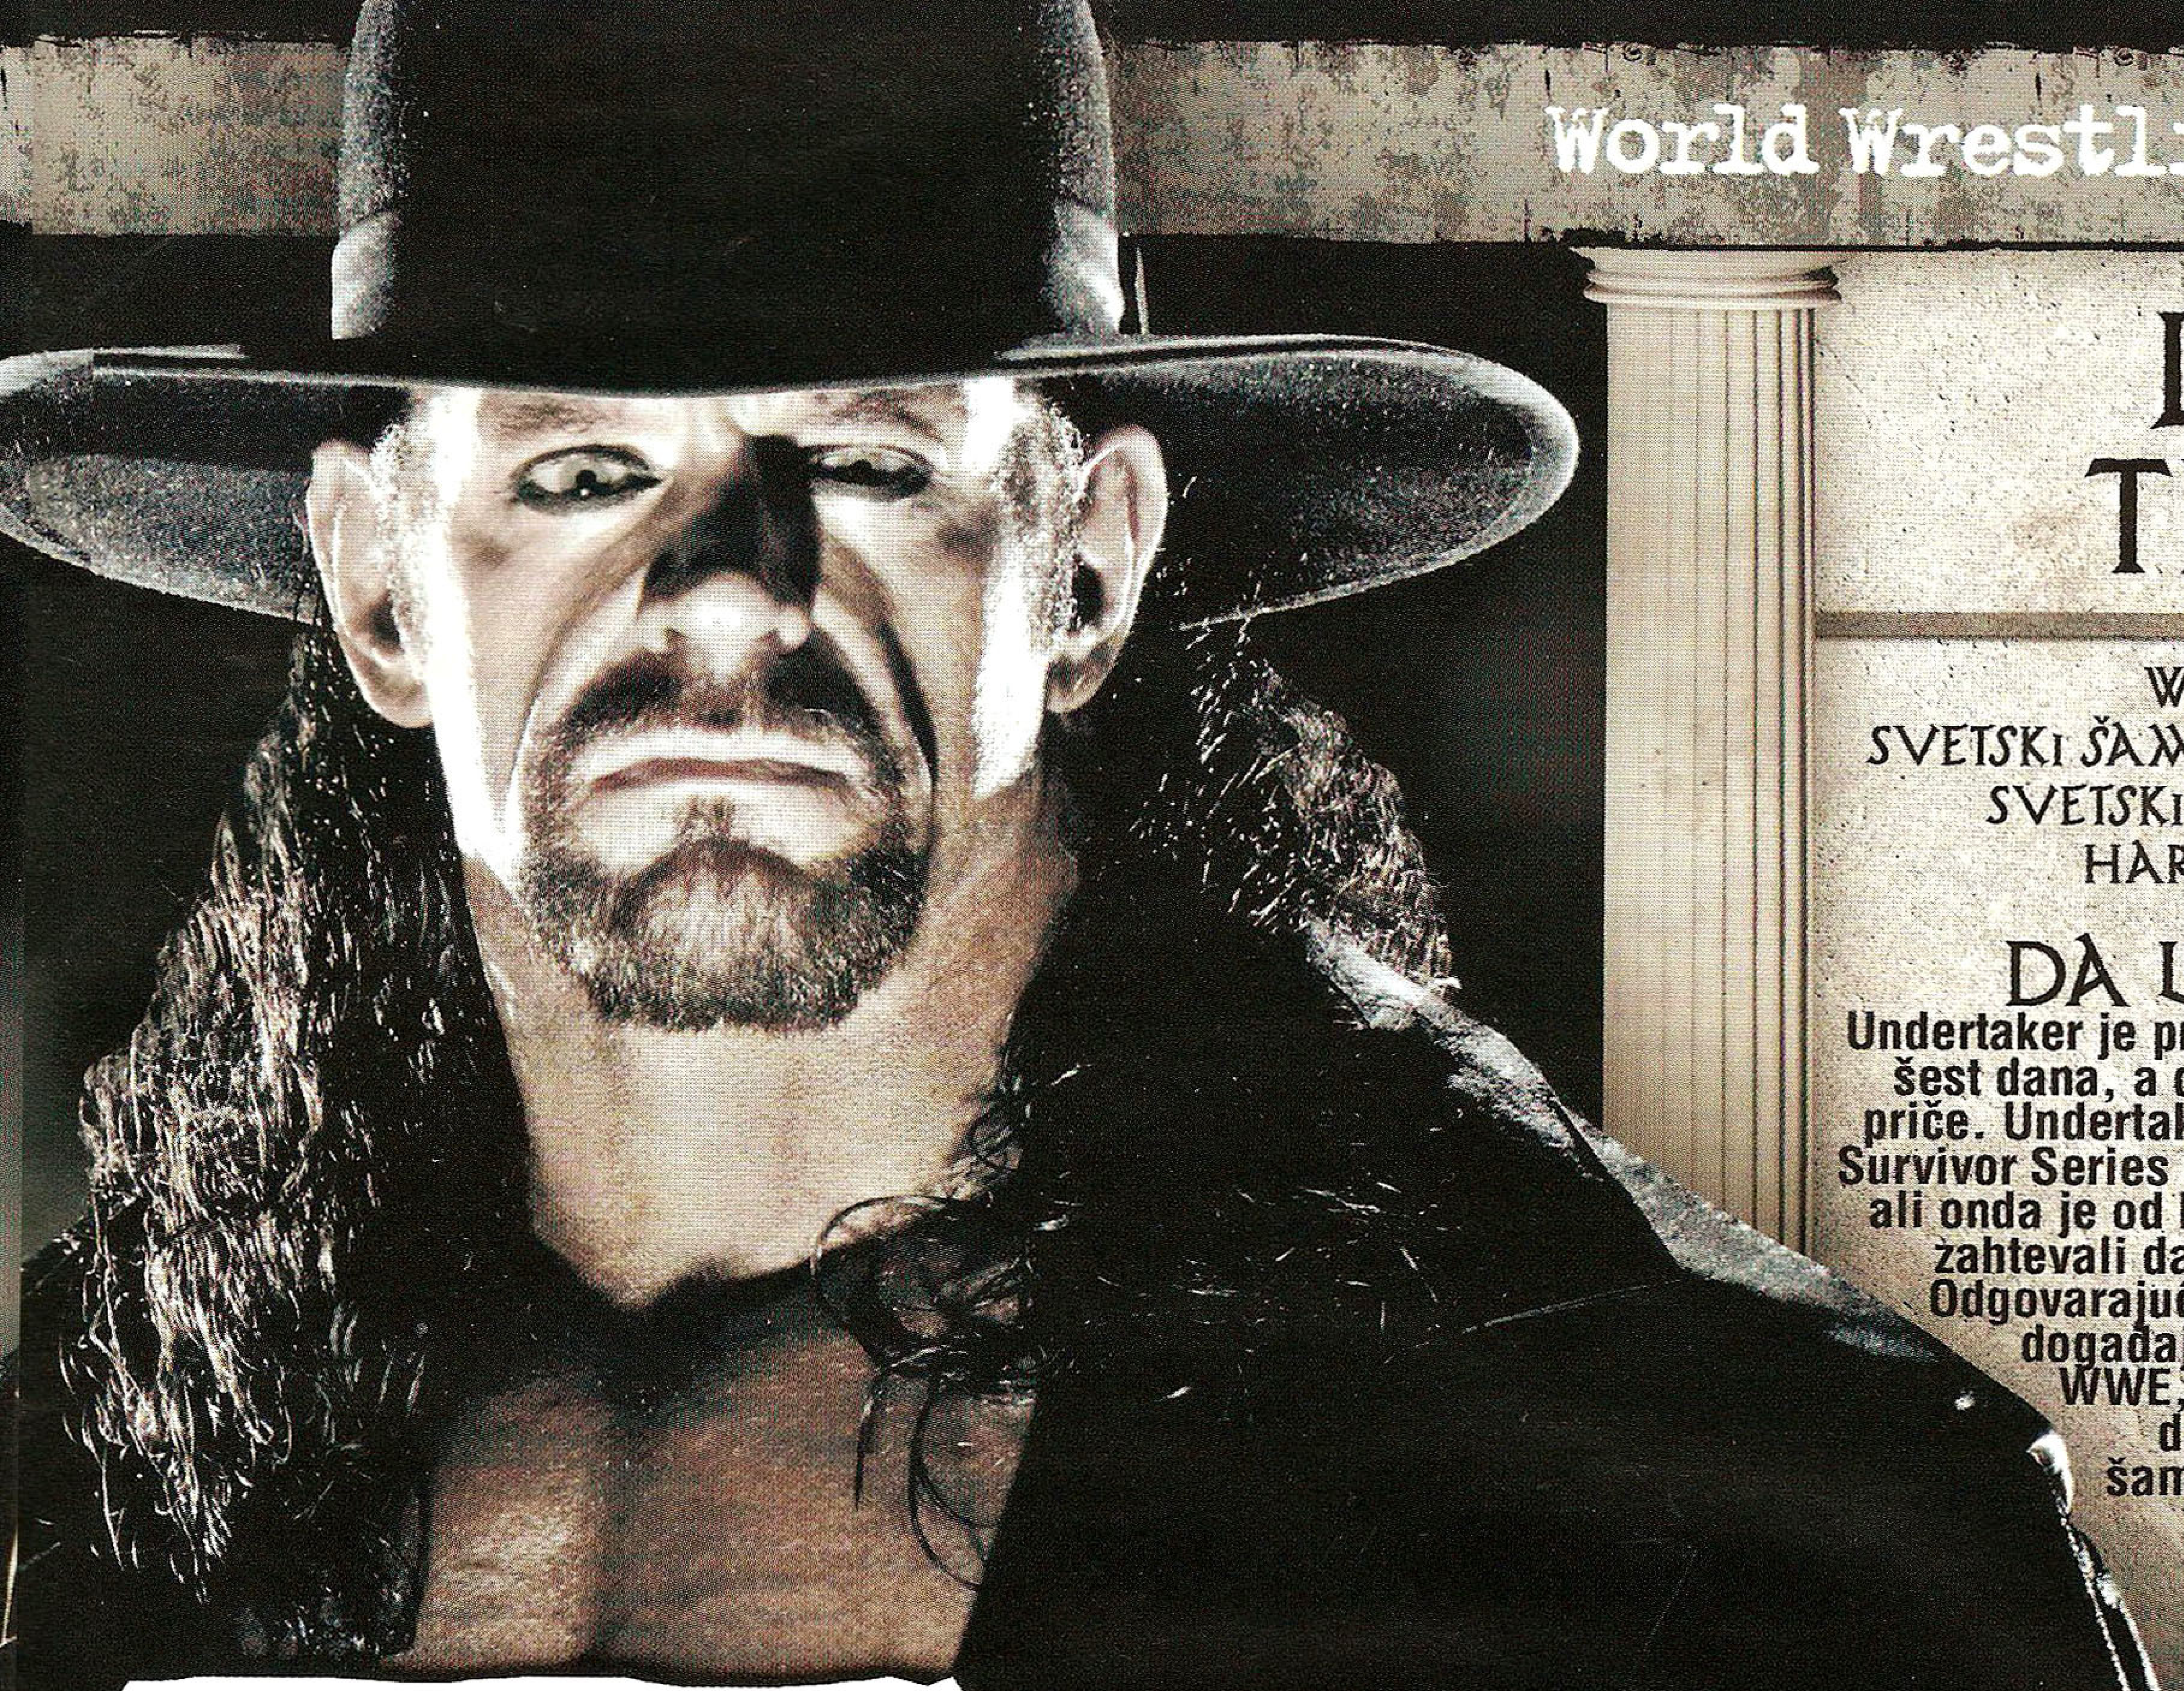

U poslednjih 15 godina WWE je imao priliku da vidi još strašnijeg igrača od Deadman-a. Od kad je debitovao u Survivor Series 1990. godine, Undertaker je uspevao da uplaši neke od najopasnijih WWE super-zvezda svojim hladnim pogledom. On je jedan od velikana svih vremena, što potvrđuje njegova višestruka titula WWE šampiona i titula svetskog šampiona u teškoj kategoriji. Undertaker i njegov polu-brat, Kejn, imali su svoje uspone i padove, što je pružilo materijal za neke od najžešćih borbi ikada viđenih u ovom zabavnom sportu.

DA LI STE ZNALI?

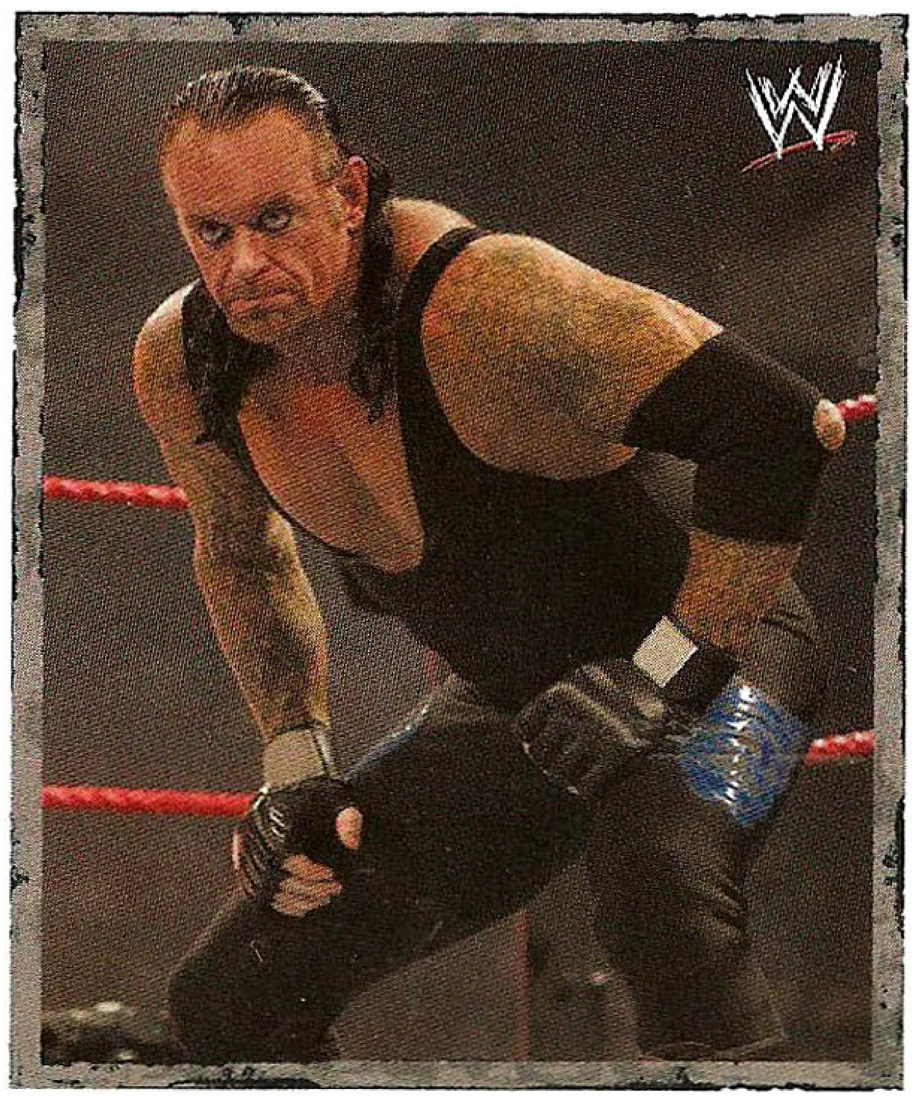

Undertaker je prvi put bio WWE šampion samo šest dana, a onda se upleo u kontraverzne priče. Undertaker je pobedio Hulka Hogana u Survivor Series 1991. godine i osvojio je titulu, ali onda je od Hogana izgubio meč, pošto su zahtevali da se meč ponovi u Teksasu. Odgovarajući na pitanja povodom ovog događaja, tadašnji predsednik WWE, Džek Tani, izjavio je da je mesto WWE šampiona upražnjeno.

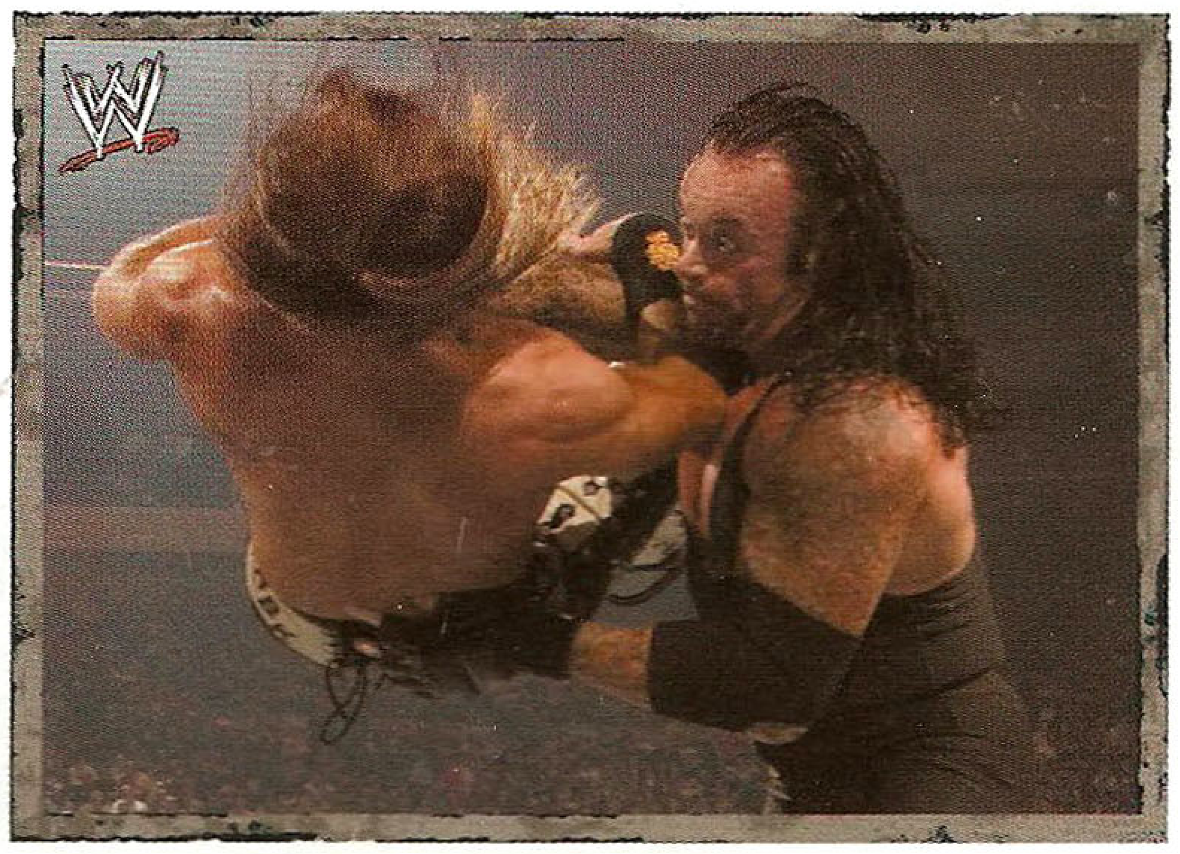

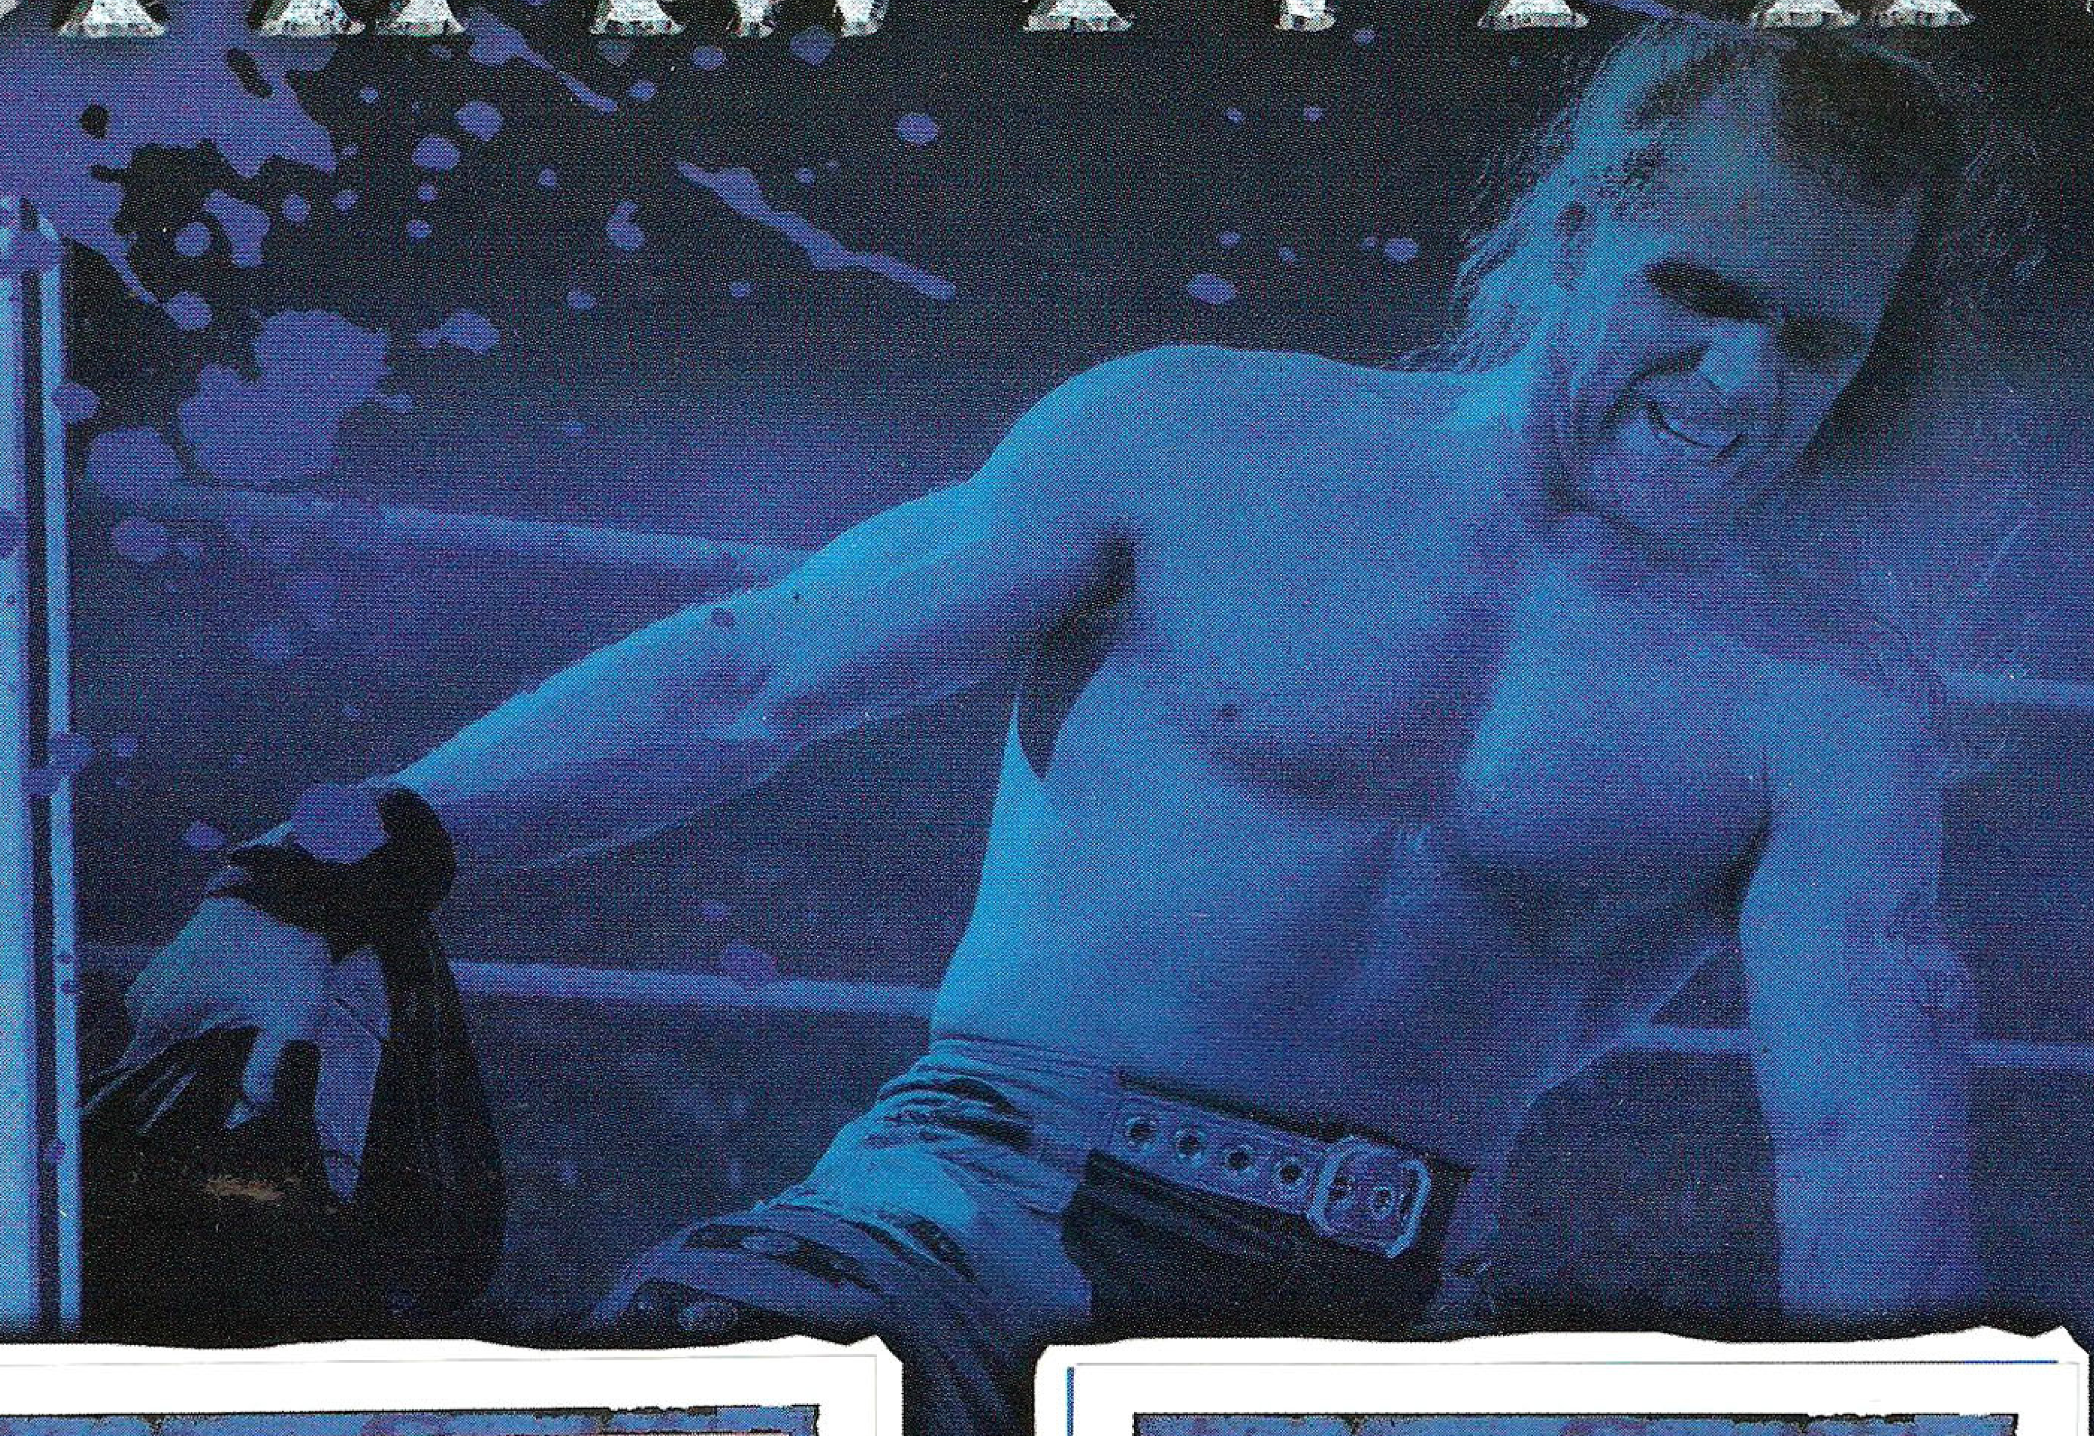

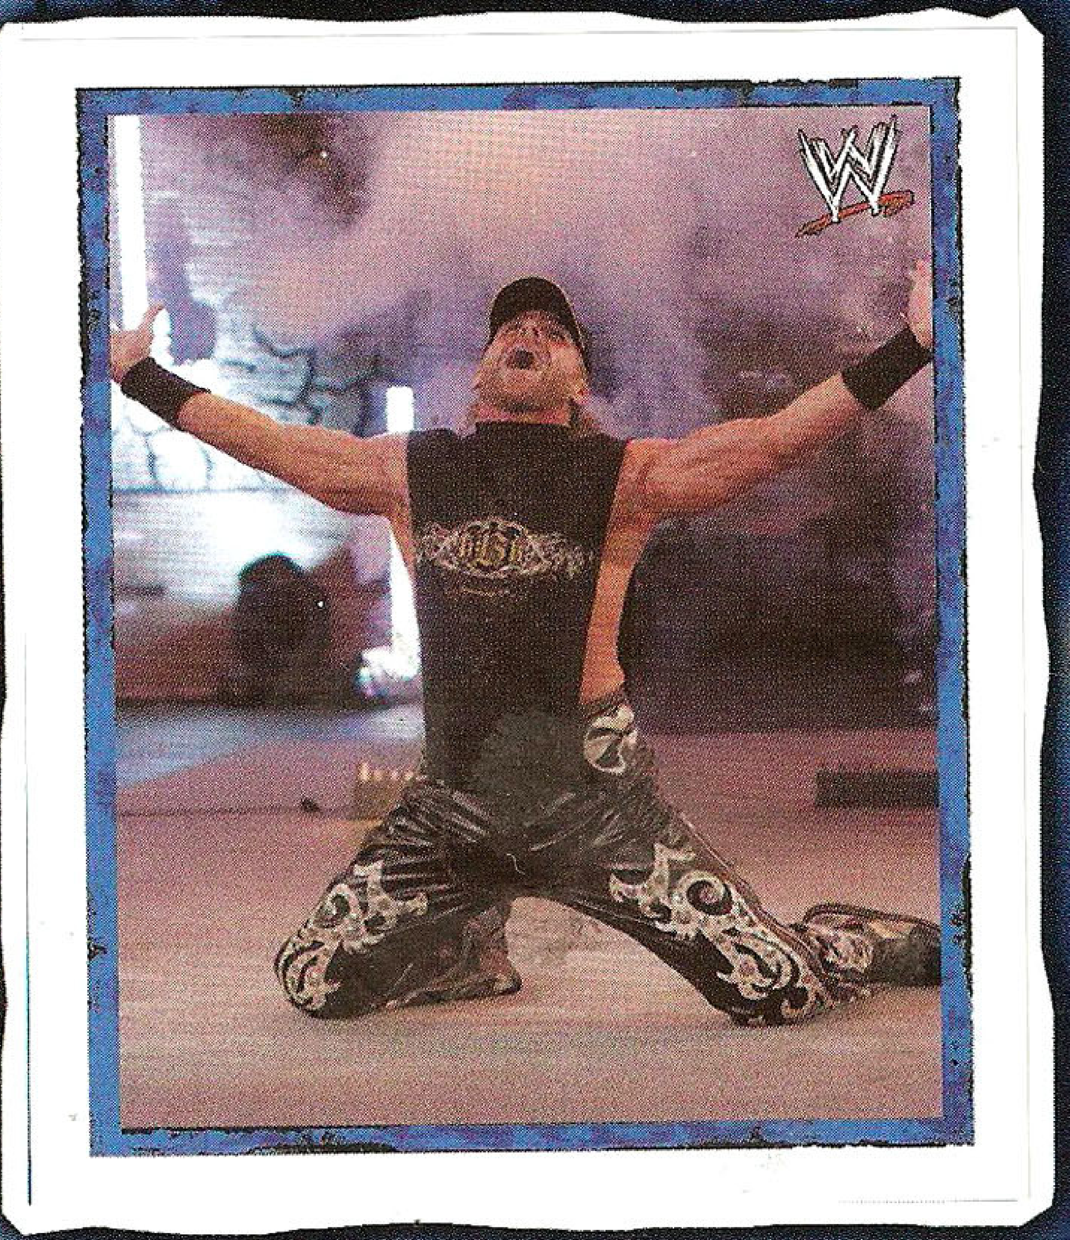

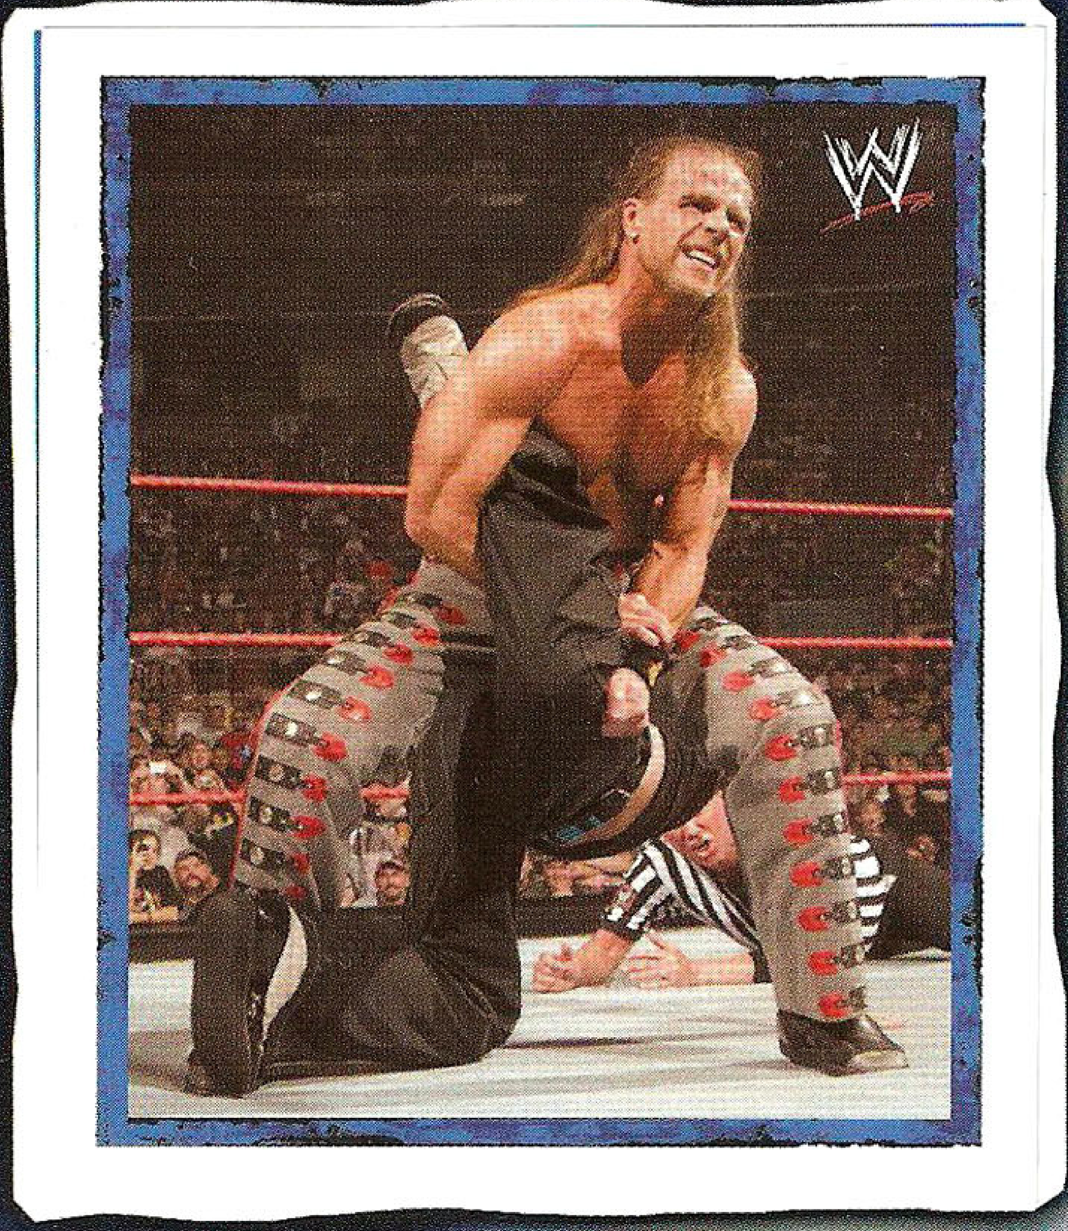

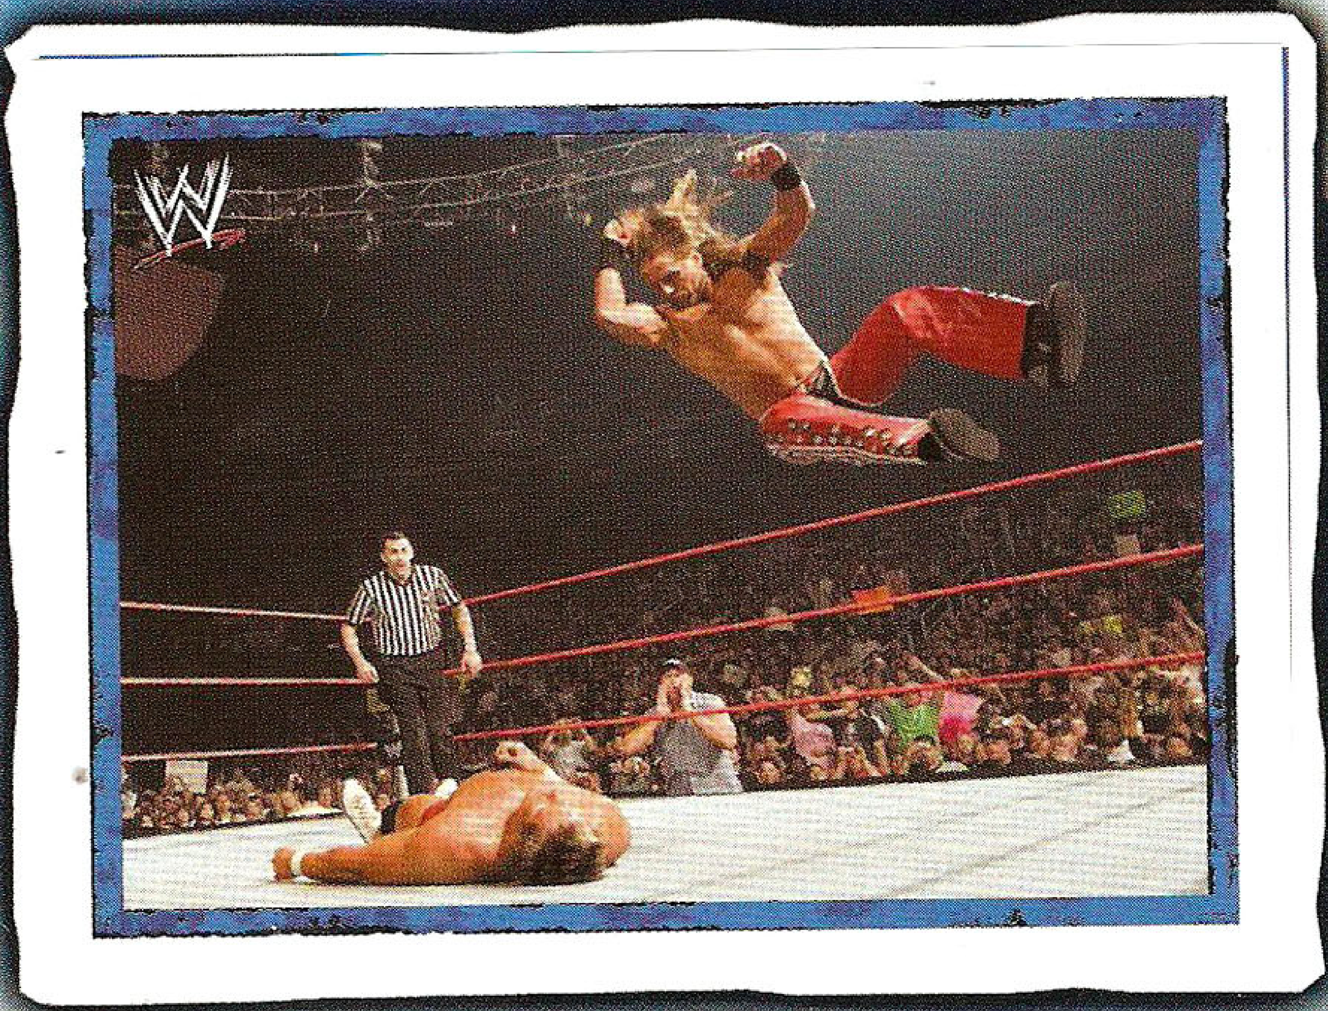

SHAWN MICHAELS®

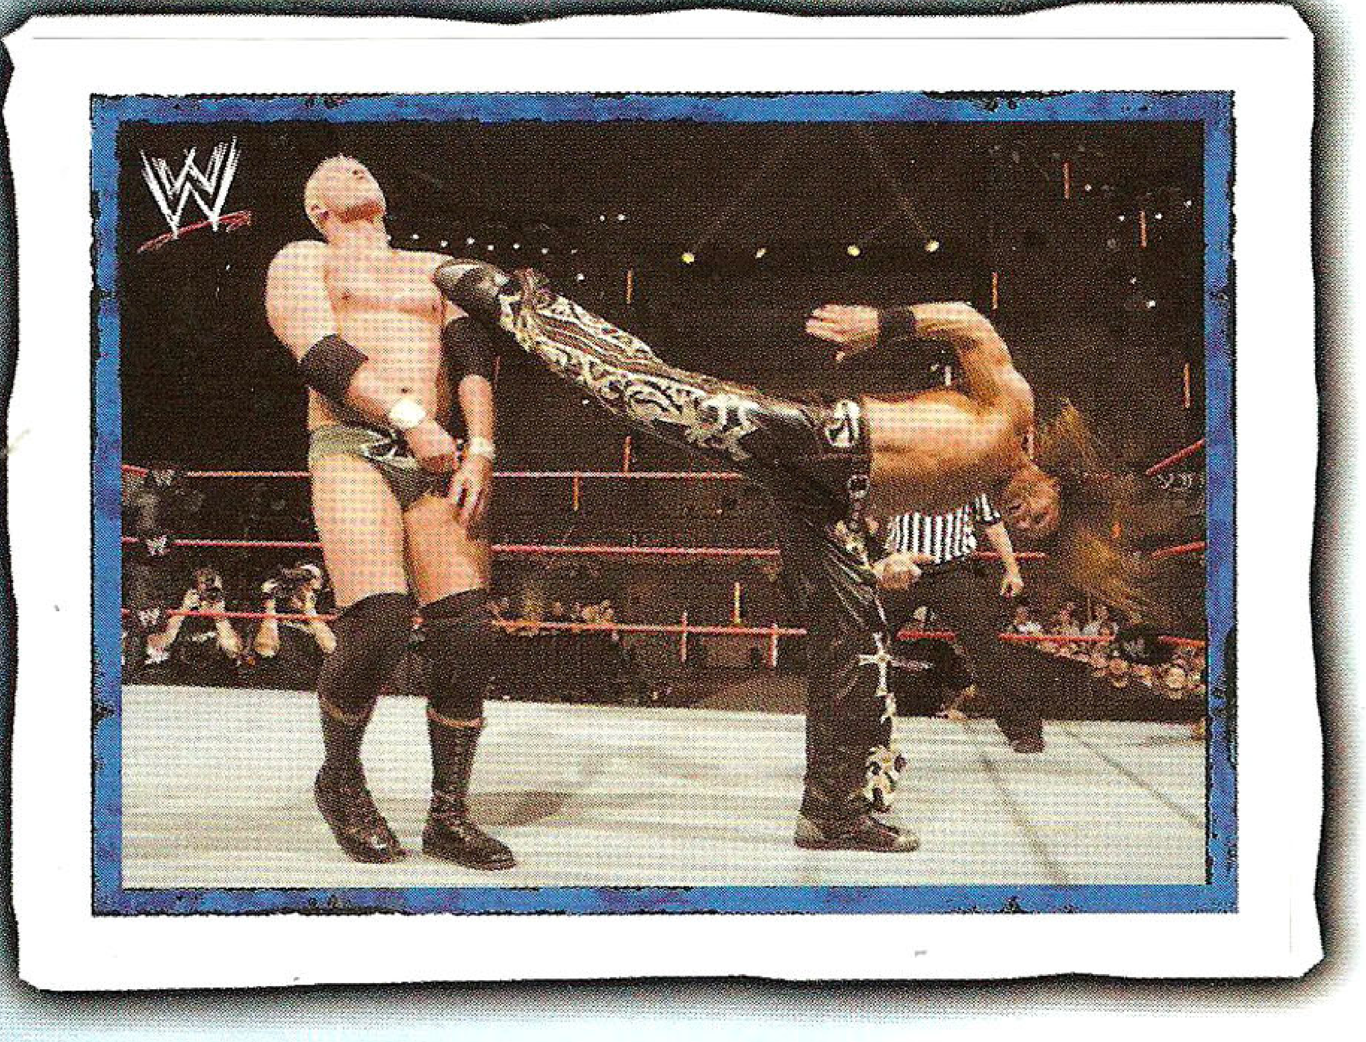

Izvrsna karijera Šona Majklsa u WWE pretvorila ga je u zvezdu zabavnog sporta. Već više od 20 godina je u centru pažnje i uvek uspeva da napravi meč o kojem se kasnije godinama priča. HBK je svoj debitantski nastup u Survivor Series 1988. godine imao u okviru tima The Rockers, sa partnerkom Marti Žaneti. HBK-a verovatno najbolje znaju po njegovim nastupima sa Triple H. Kada nisu zajedno, najveći su neprijatelji, a kao tim predstavljaju jedan od najslavnijih tandema u istoriji WWE: D-generaciju X.

Mnogi smatraju da su The Rockers, čiji su članovi Majkls i partnerka Marti Žaneti, jedan od najboljih tag timova u istoriji zabavnog sporta. Međutim, uprkos njihovoj veštini, nikada nisu osvojili titulu svetskog tag team šampiona.

MICHELLE McCOOL™

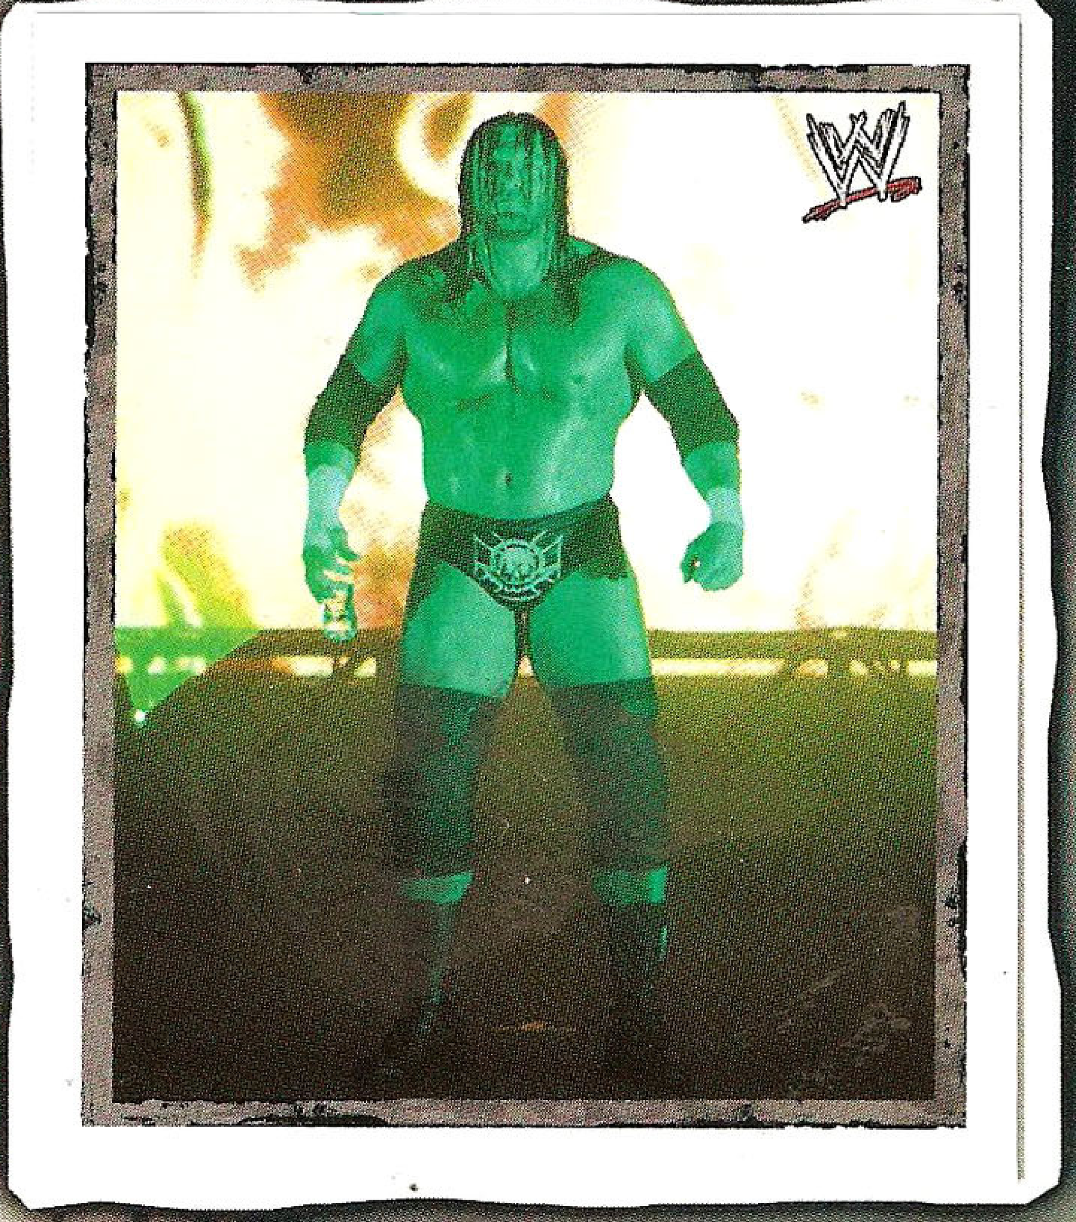

Još od svog prvog nastupa za vreme WWE Diva Search 2004. godine, MekKul je oduševila fanove i svojom lepotom i svojim atletskim sposobnostima. Kao bivša nastavnica biologije, Mišel je spoj lepote i pameti koji predstavlja veliki izazov i prijateljima i neprijateljima na SmackDown-u.

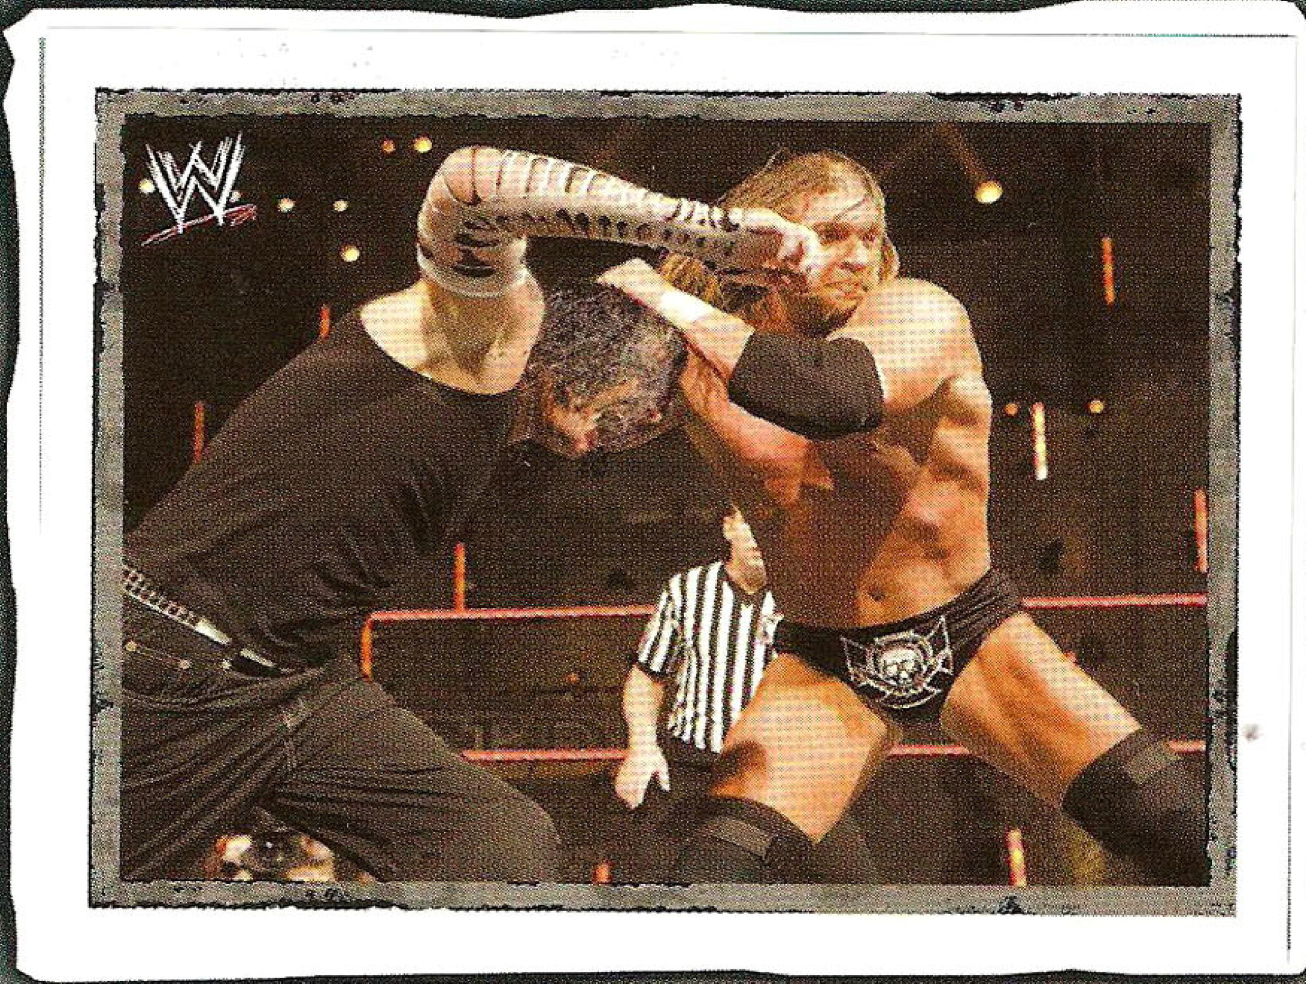

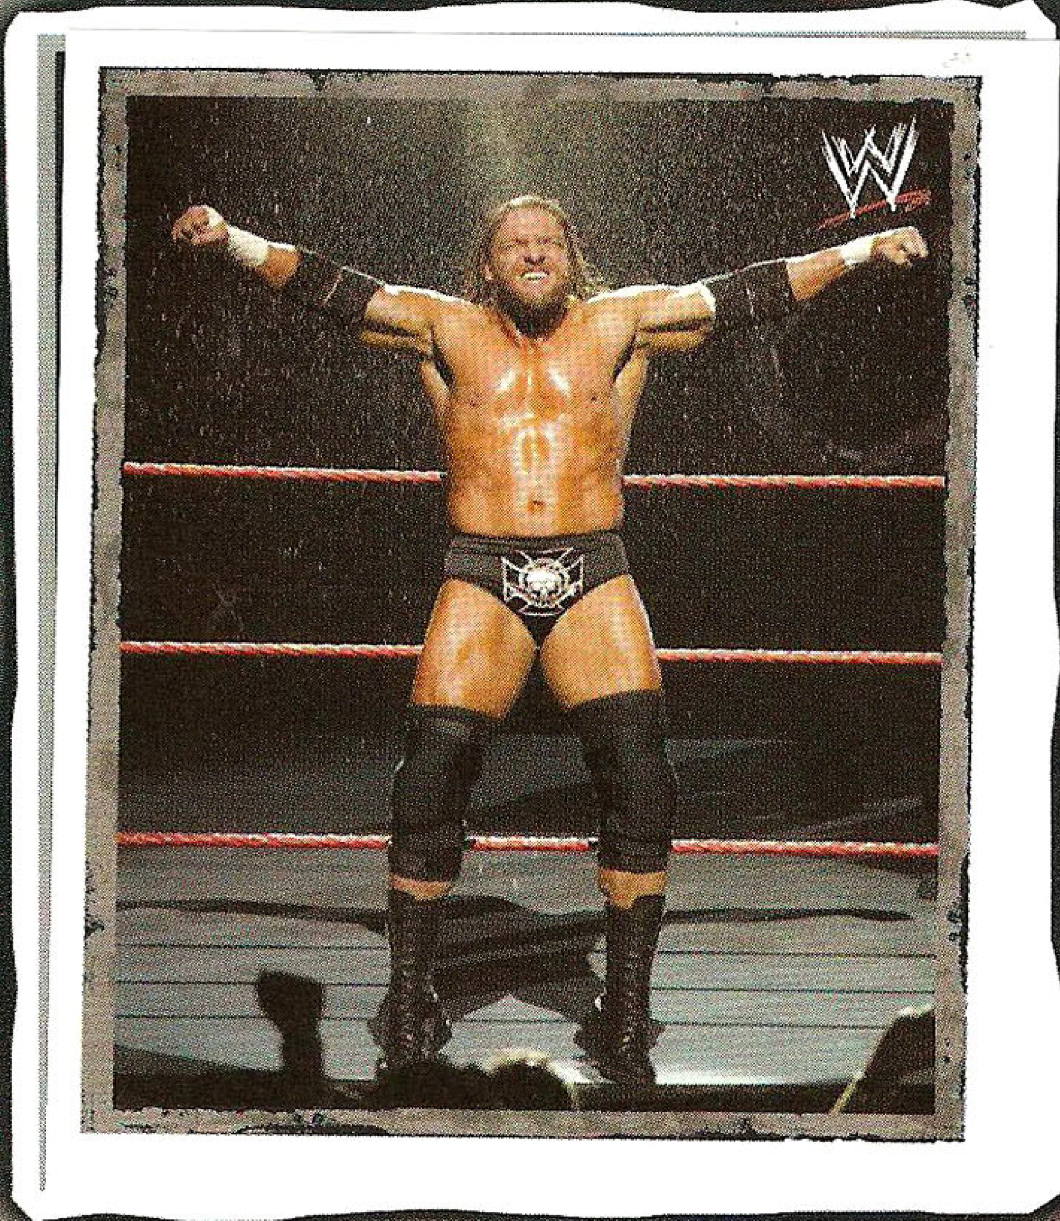

TRIPLE H®

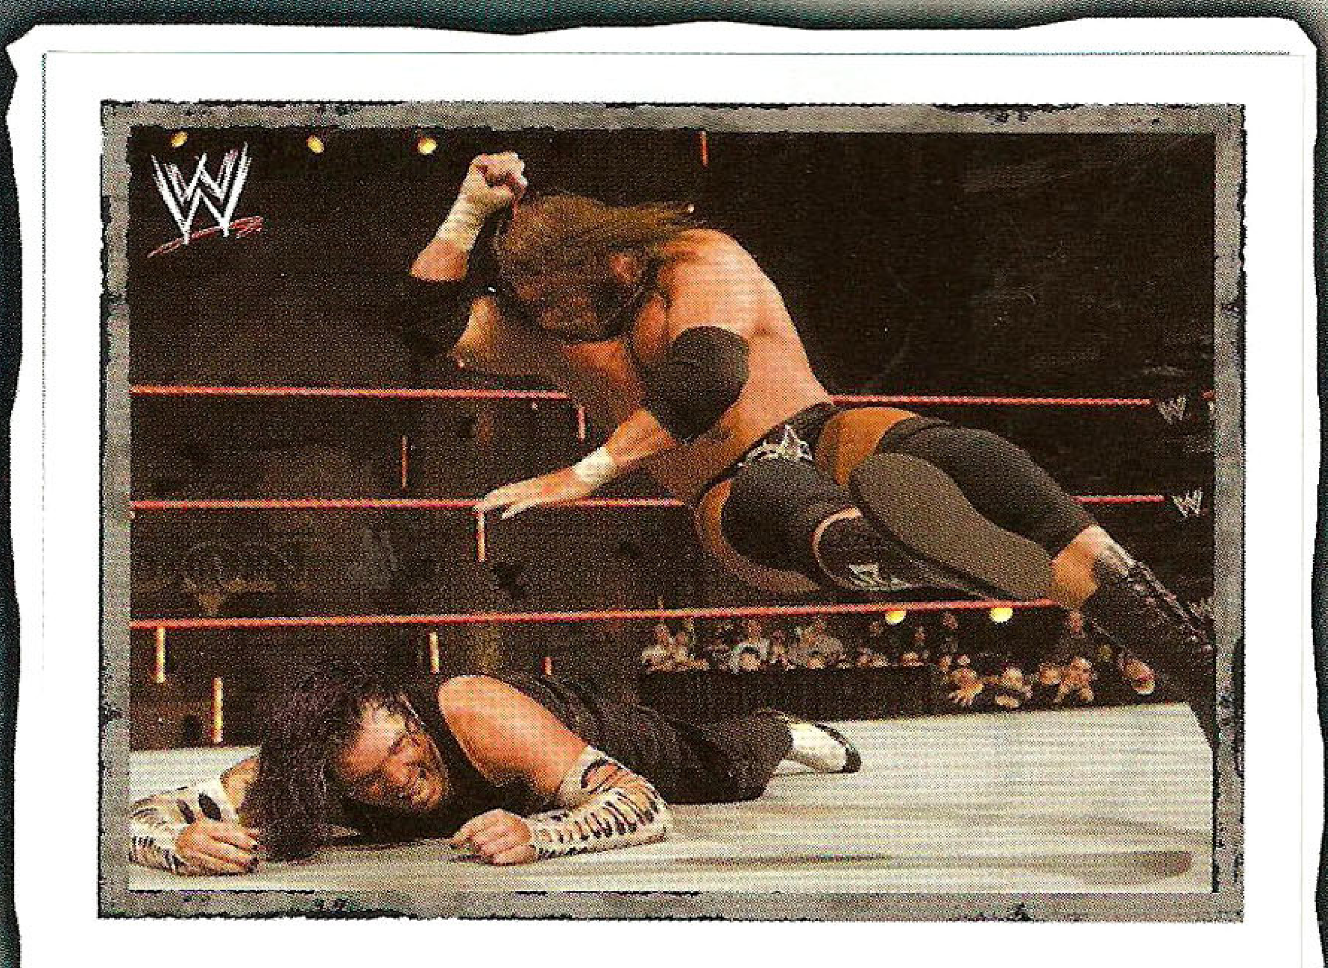

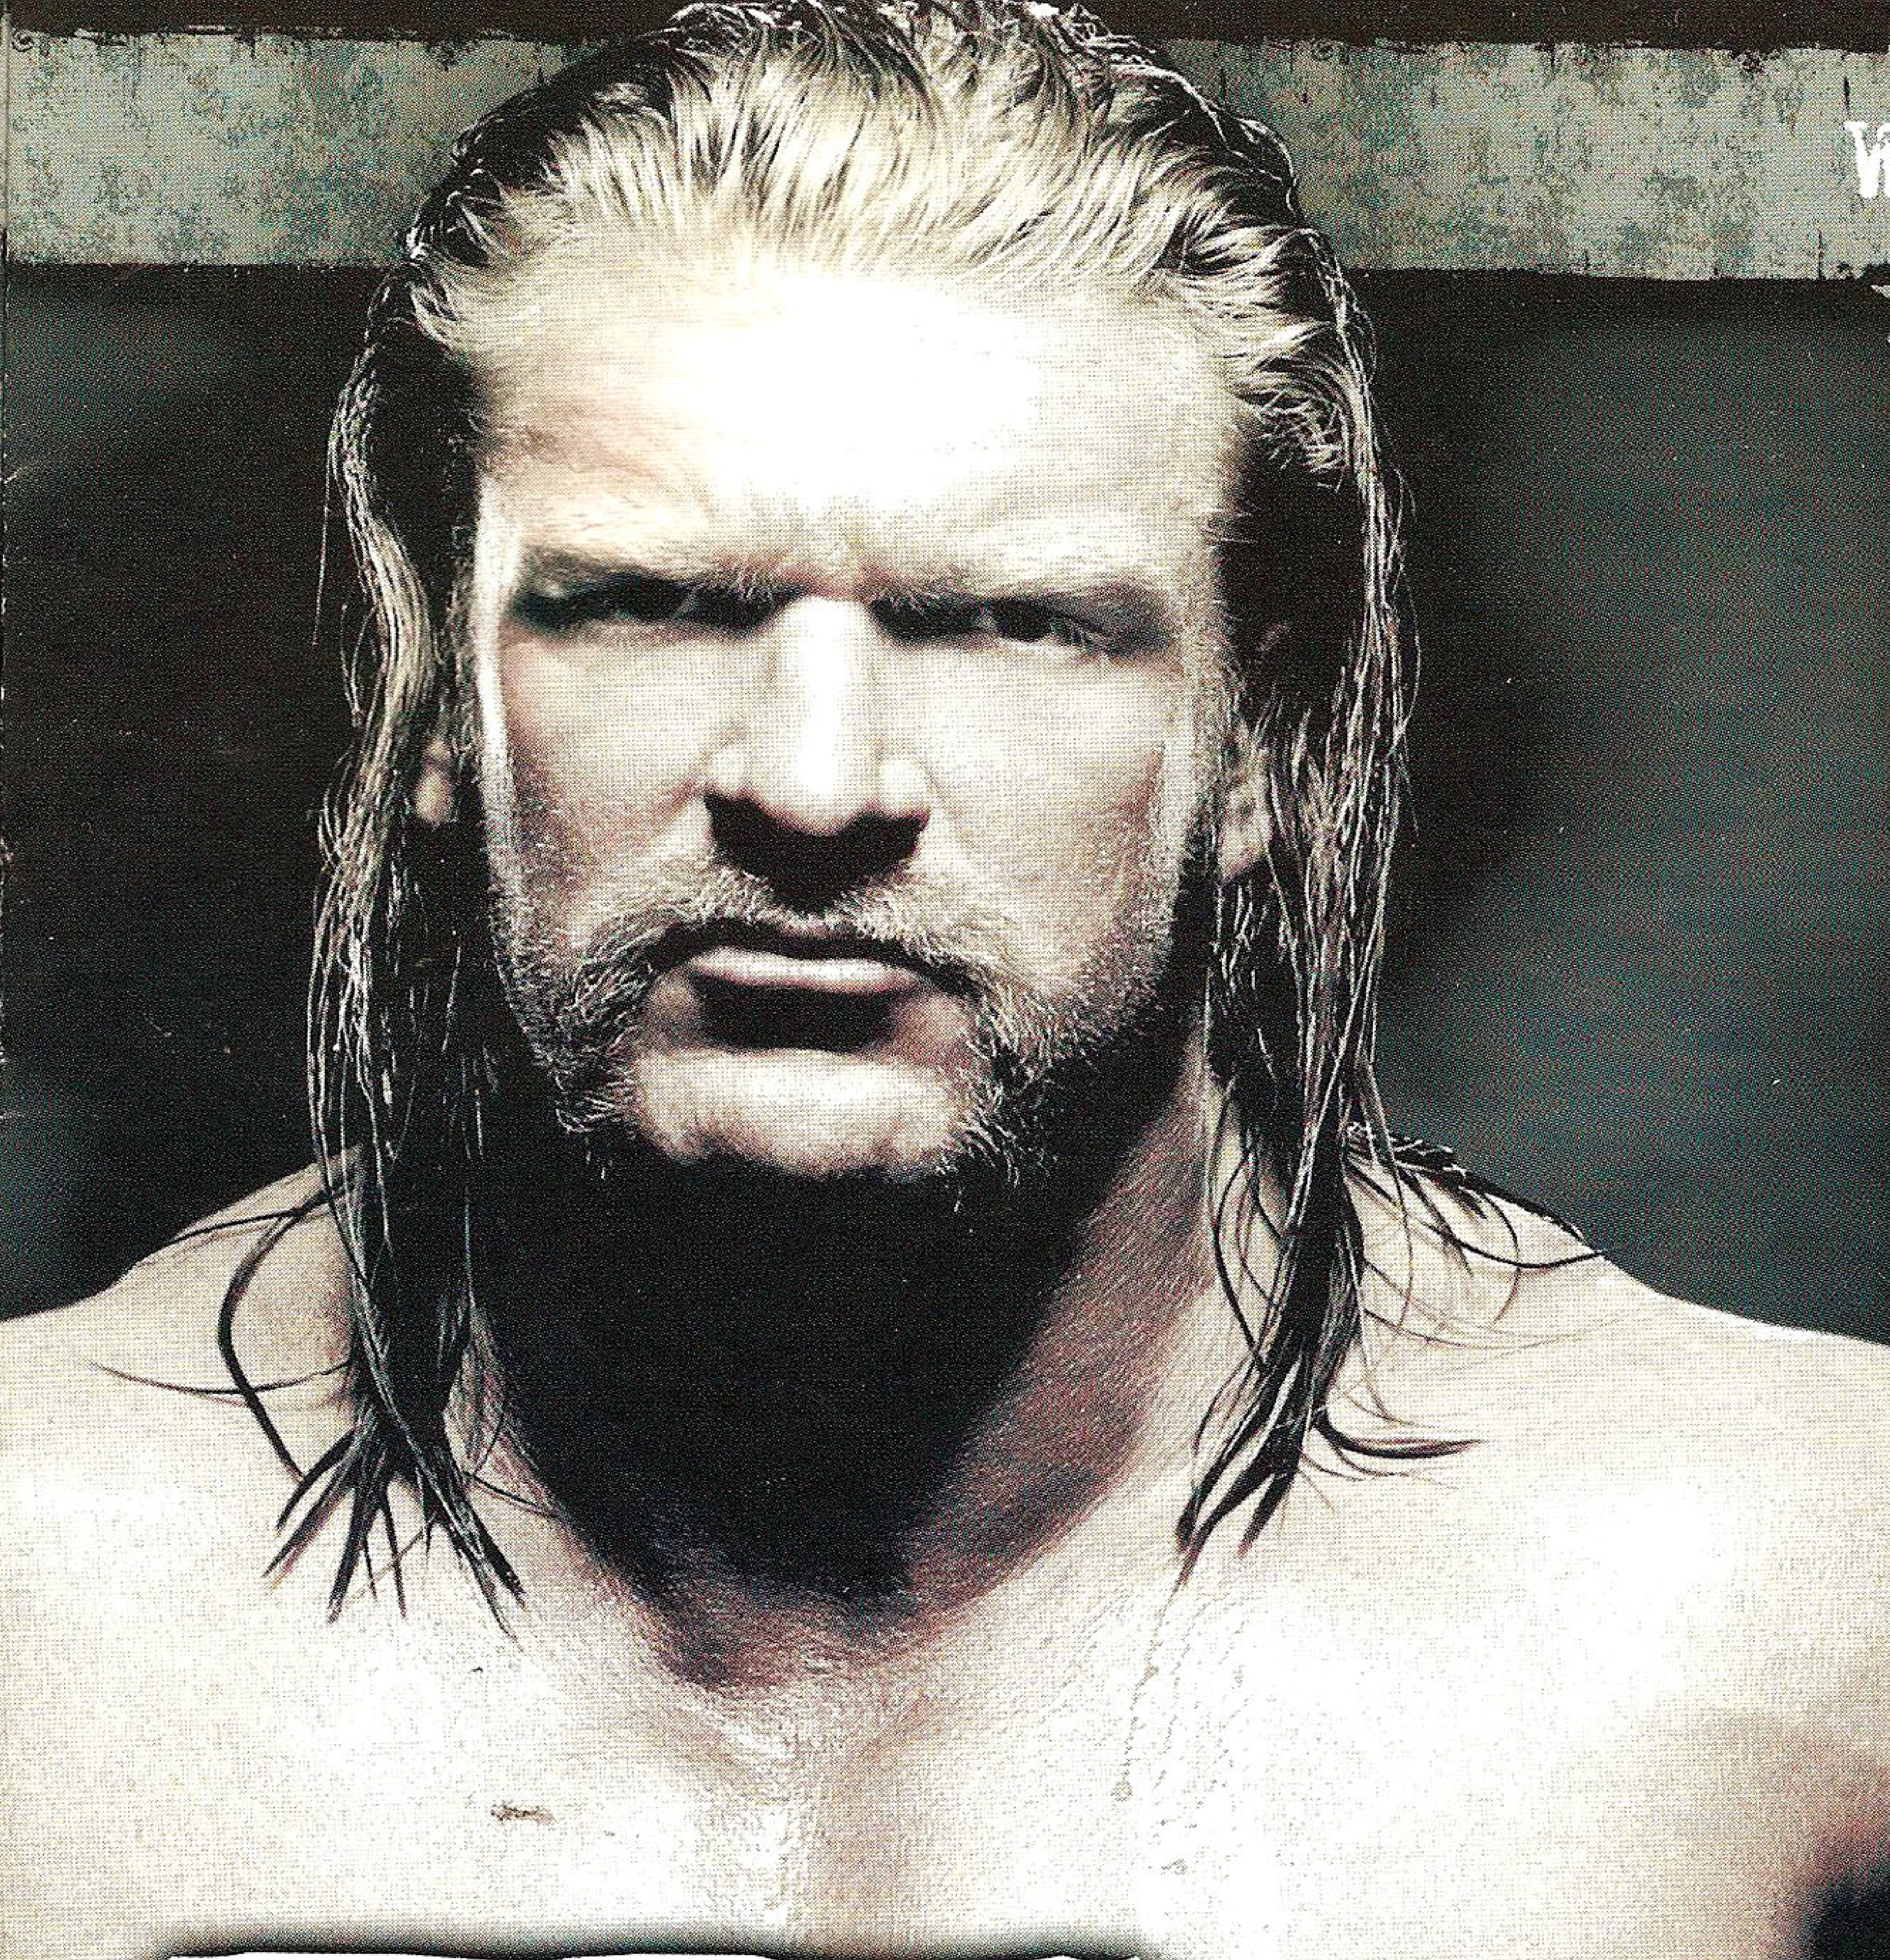

Još od svog prvog nastupa na WWE u proleće 1995. godine, Triple H je išao uzlaznom putanjom da bi postao jedna od najuspešnijih WWE super-zvezda svih vremena. Triple H je pomogao u osnivanju dva od nekoliko najboljih timova u istoriji WWE. U D-generaciji X, Šon Majkls i Triple H otkrili su jedan sasvim novi – i često kontraverzni – put. Triple H je osnovao i Evoluciju, čiji su članovi najveće super-zvezde prošlih, sadašnjih i budućih vremena, i tih dana je Umni ubica nekoliko puta osvojio titulu svetskog šampiona u teškoj kategoriji.

BATISTA®

Batista je prešao daleki put od svojih „divljih“ dana u Evoluciji. Veoma rano su njegovi fanovi shvatili koliki potencijal poseduje Batista, još pre njegovih kolega iz Evolucije. Uskoro je Batista postao prevelik zalogaj čak i za vođu grupe, Tripla H-a, koga je Batista, odnosno The Animal, pobedio na WrestleMania 21 u borbi za titulu svetskog šampiona u teškoj kategoriji. Danas je Batista jedan od stubova SmackDown-a, i sve ostale super-zvezde znaju da na putu slave mora proći pored The Animal-a.

Pobedio je Triple H-a na WrestleMania 21, u borbi za titulu svetskog šampiona u teškoj kategoriji. Dobio je i dva uzastopna revanš meča koji su usledili, uključujući brutalni Pakao u Vengeance 2005. godine.

Hornswoggle se prvi put pojavio na WWE kao šumski vilenjak koji je došao posle irskog takmičara Finleja, misteriozno jureći u ring kad god je Finlej u nevolji. Jula 2007. godine Hornswoggle je osvojio svoju prvu titulu u Cruiseweight šampionatu, pošto je oborio Džejmija Nobla i tako zapisao svoje ime u istoriju.

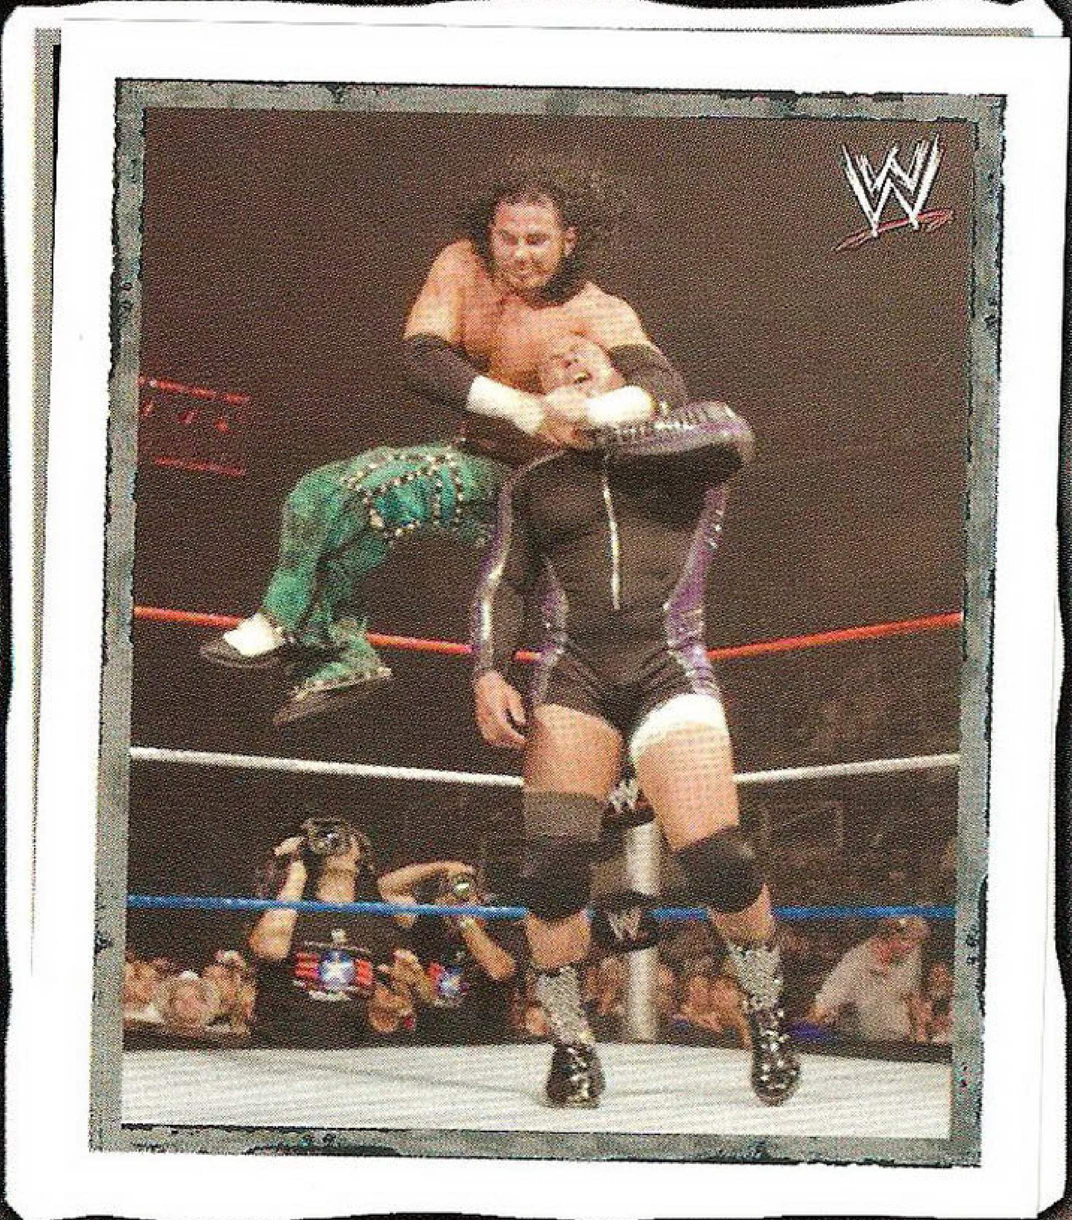

MATT HARDY™

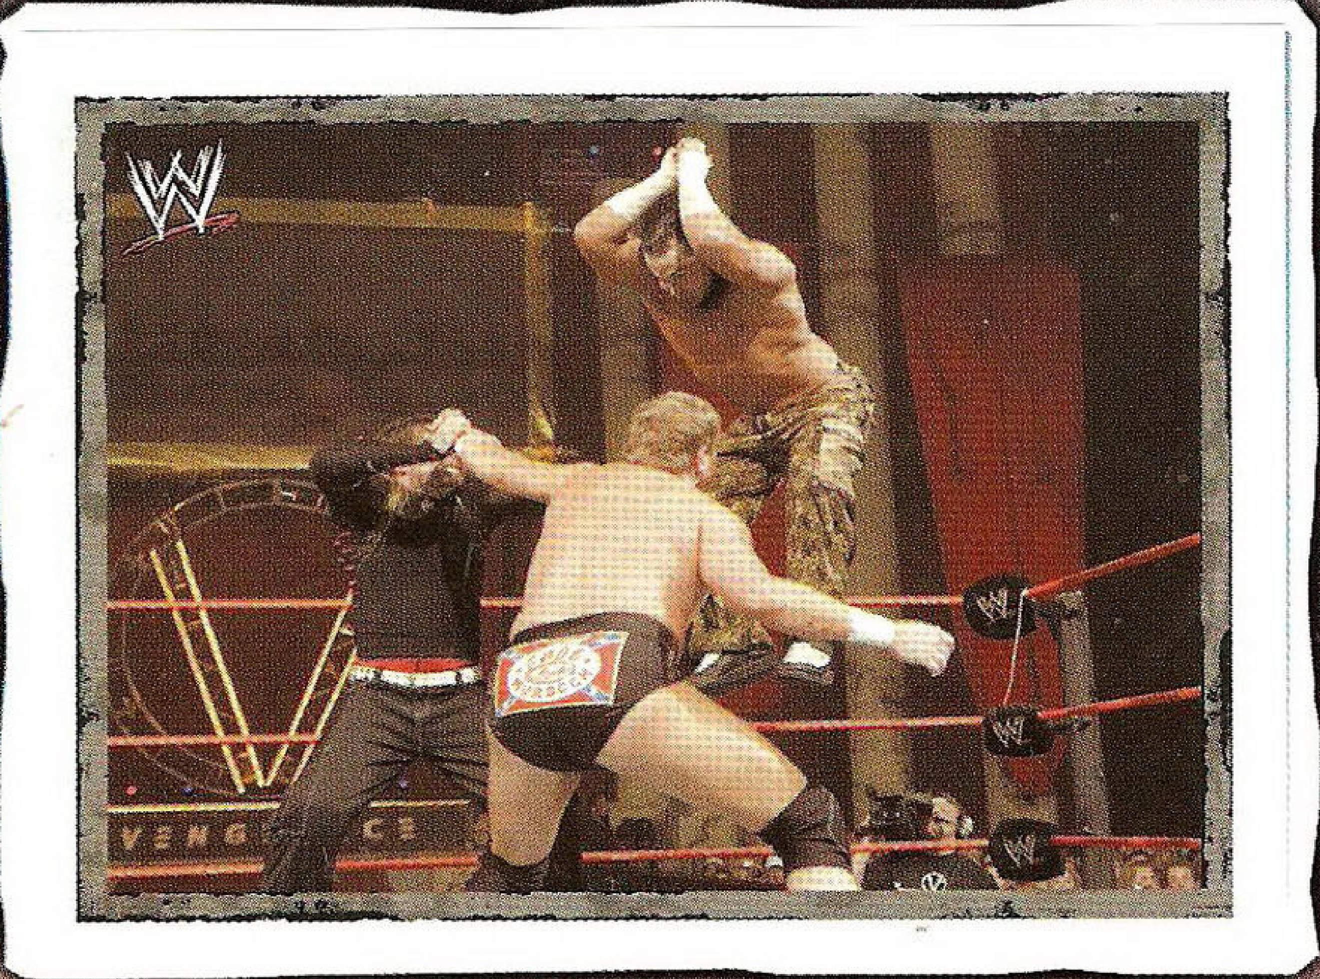

Jedan od miljenika publike među WWE super-zvezdama, Met Hardi, uporno potvrđuje da je jedna od najuzbudljivijih super-zvezda u SmackDown-u koja svoje telo forsira do granica izdržljivosti, na radost svojih fanova. U tandemu sa bratom, Džefom, Met je nizao uspeh za uspehom. Njih dvojica su šest puta osvajali titulu svetskog tag team šampiona, zahvaljujući dinamičnom, uzbudljivom stilu. Met je uživao i pojedinačne uspehe, osvojivši titulu Evropskog, Hardcore i Cruiseweight šampiona.

Gospodin MekMahon ga je proglasio „budućnošću ECW-a“, a Burk je postao nezvanični lider „Nove sorte“, grupe novih ECW zvezda koje su se borile protiv prve postavke ECW-a. Njegov prepoznatljivi zahvat „Ilajdža ekspres“ napravio je haos među ostalim ECW super-zvezdama i on se nada da će mu to jednoga dana doneti titulu ECW šampiona.

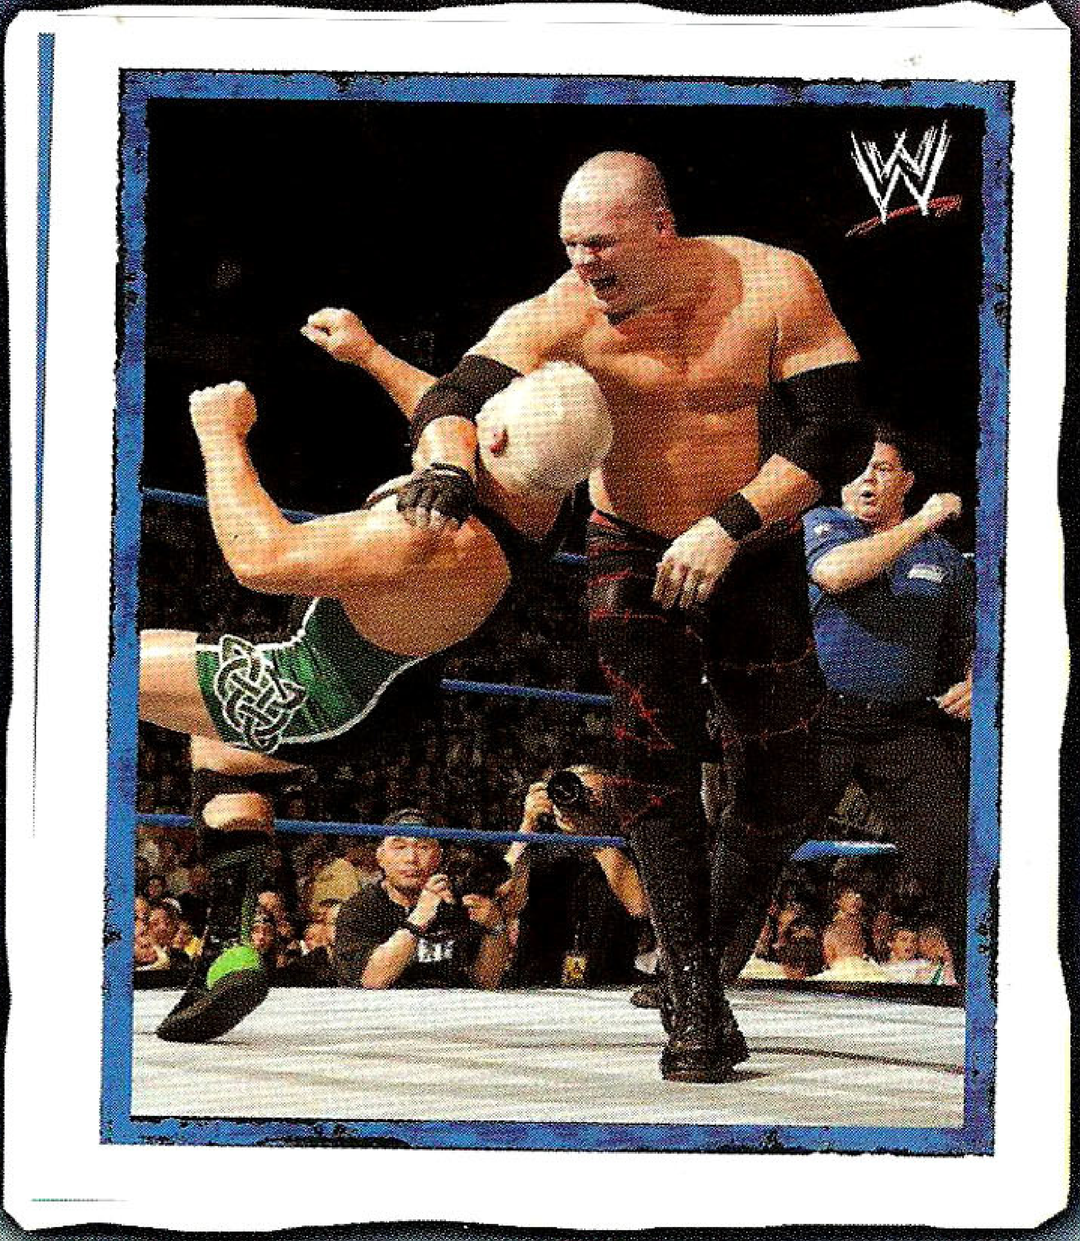

WWE HEROES

KANE®

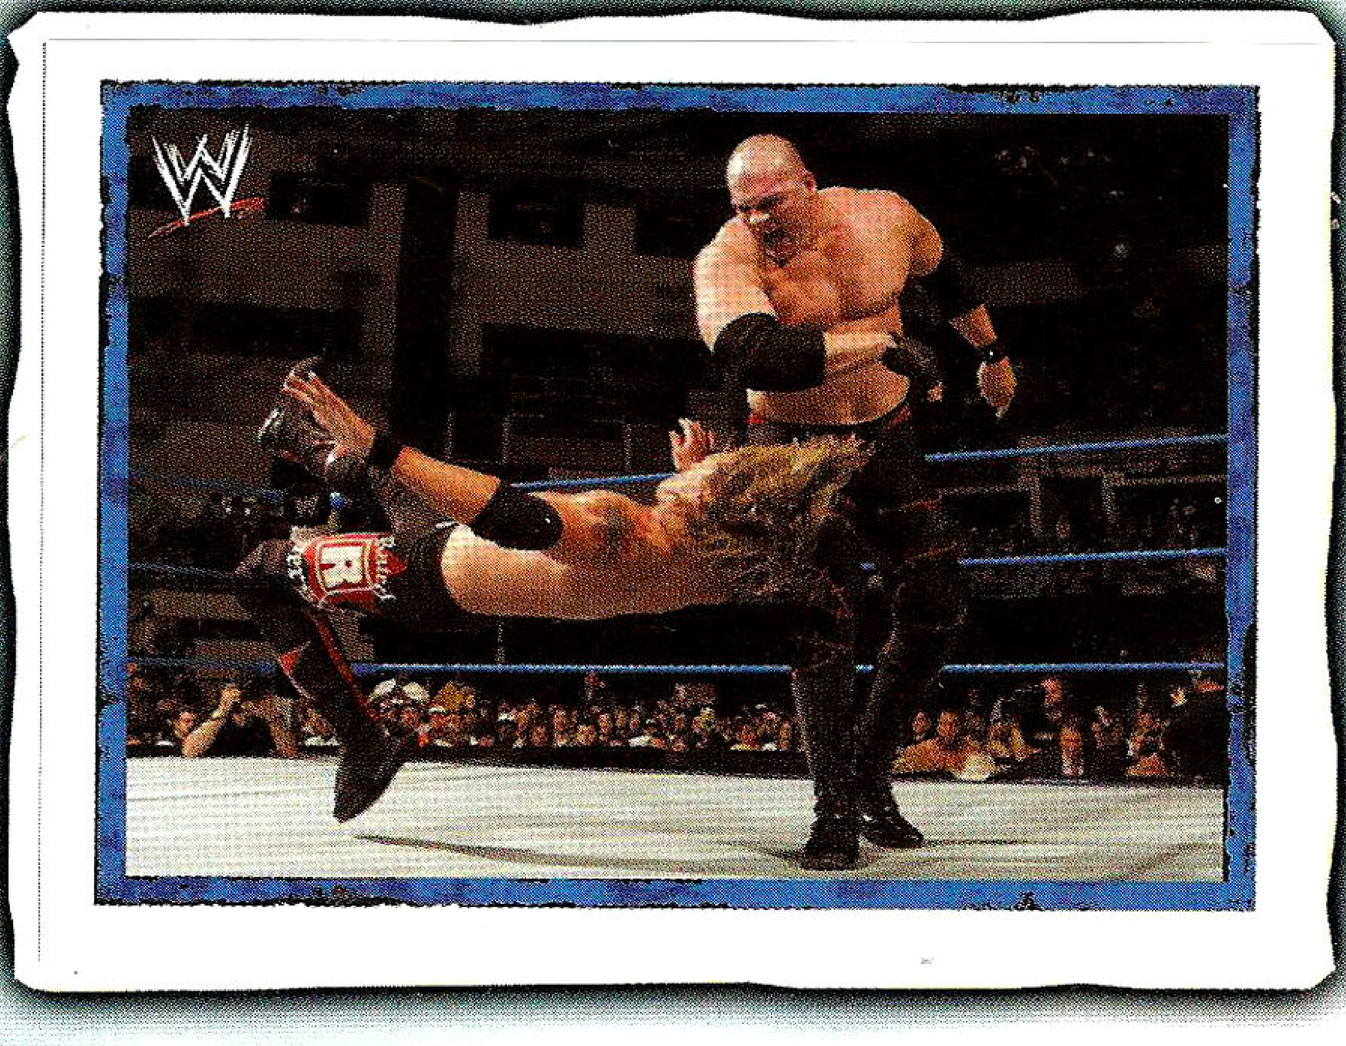

Debitujući u Bad blood-u u oktobru 1997. godine, Kejn je postao jedan od najvećih ljudi koji su ikada kročili u WWE. Svoje legendarno pojavljivanje izveo je u Cell meču protiv Šona Majklsa, kada je napao svog polu-brata, Undertaker-a. To ga je koštalo pobede. Samo osam meseci kasnije Kejn se susreo sa Stone Cold Stivom Ostinom u King of the ring 1998. godine i osvojio je titulu WWE šampiona u kontraverznom First blood meču. Njegova vladavina trajala je samo jednu noć, jer je Stone Cold povratio titulu u Raw-u. Kejn je porazio Ćava Gerera na WrestleMania XXIV i osvojio ECW šampionat.

U ringu ili za mikrofonom, možete biti sigurni da će Džon Cena ostati poslednji da stoji. Svoj prvi nastup na WWE imao je u junu 2002. godine. Vodio je prvi od mnogih glavnih mečeva, a 2005. godine je prvi put postao šampion na WrestleMania 21. Sa svojom legijom Chain gang vojnika za sobom, Sena veruje da je nezaustavljiv i to je dokazao fascinantnom pobedom u Royal Rumble-u nakon pauze od nekoliko meseci zbog povrede grudnog koša.

REY MYSTERIO®

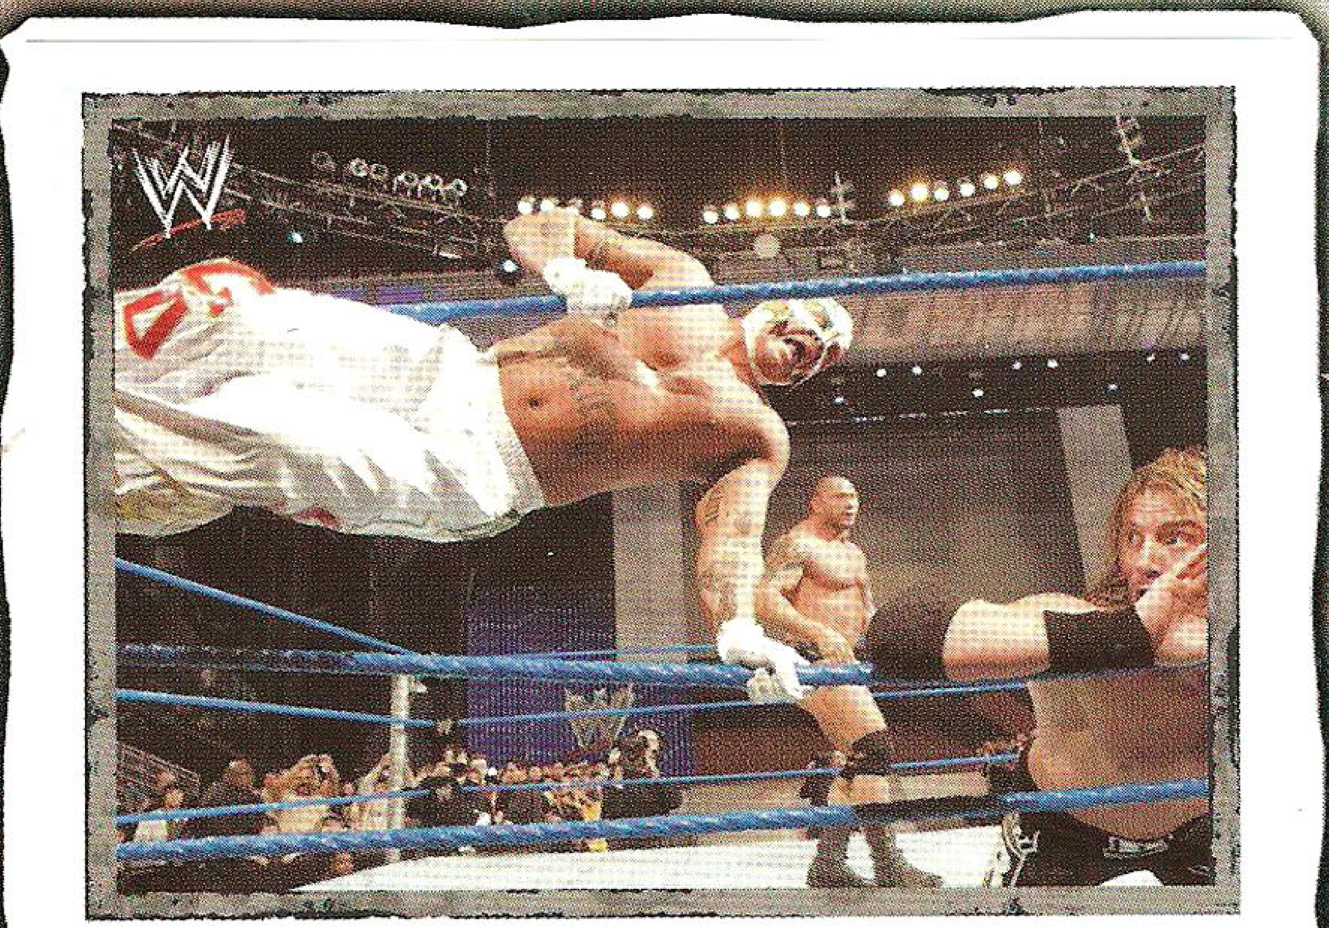

Jednostavno rečeno, Rej Mistirio je prava munja, i njegov stil je zauvek promenio izgled zabavnog sporta. Počeo je kao meksička zvezda. Naučio je zanat od svog talentovanog ujaka, legende lucha libre. Posle uspešne karijere u Meksiku, na ECW i WCW, Mistirio je najzad stigao u WWE u julu 2002, pobedivši Čava Gerera u uzbudljivom meču. Rej je dostigao vrhunac u svojoj karijeri kada je pobedio u Triple Threat meču na WrestleMania 21 i osvojio titulu svetskog šampiona u teškoj kategoriji.

I publika i super-zvezde bili su jednako iznenađeni. Kaliju je bilo suđeno da dostigne veličinu, i njegova sudbina bila je ostvarena kada je osvojio titulu svetskog šampiona u teškoj kategoriji u istorijskoj bici u SmackDown-u 2007. godine. Od svog dolaska u WWE Boogeyman je uporno terorisao super-zvezde svojim ponašanjem u ringu. Šunjanje u senkama, recitovanje dečjih pesmica i jedenje crva su deo njegove strategije koja treba da uznemiri žrtve, koje često ostavlja na podu, gde se nađu licem u lice sa njegovim poslasticama.

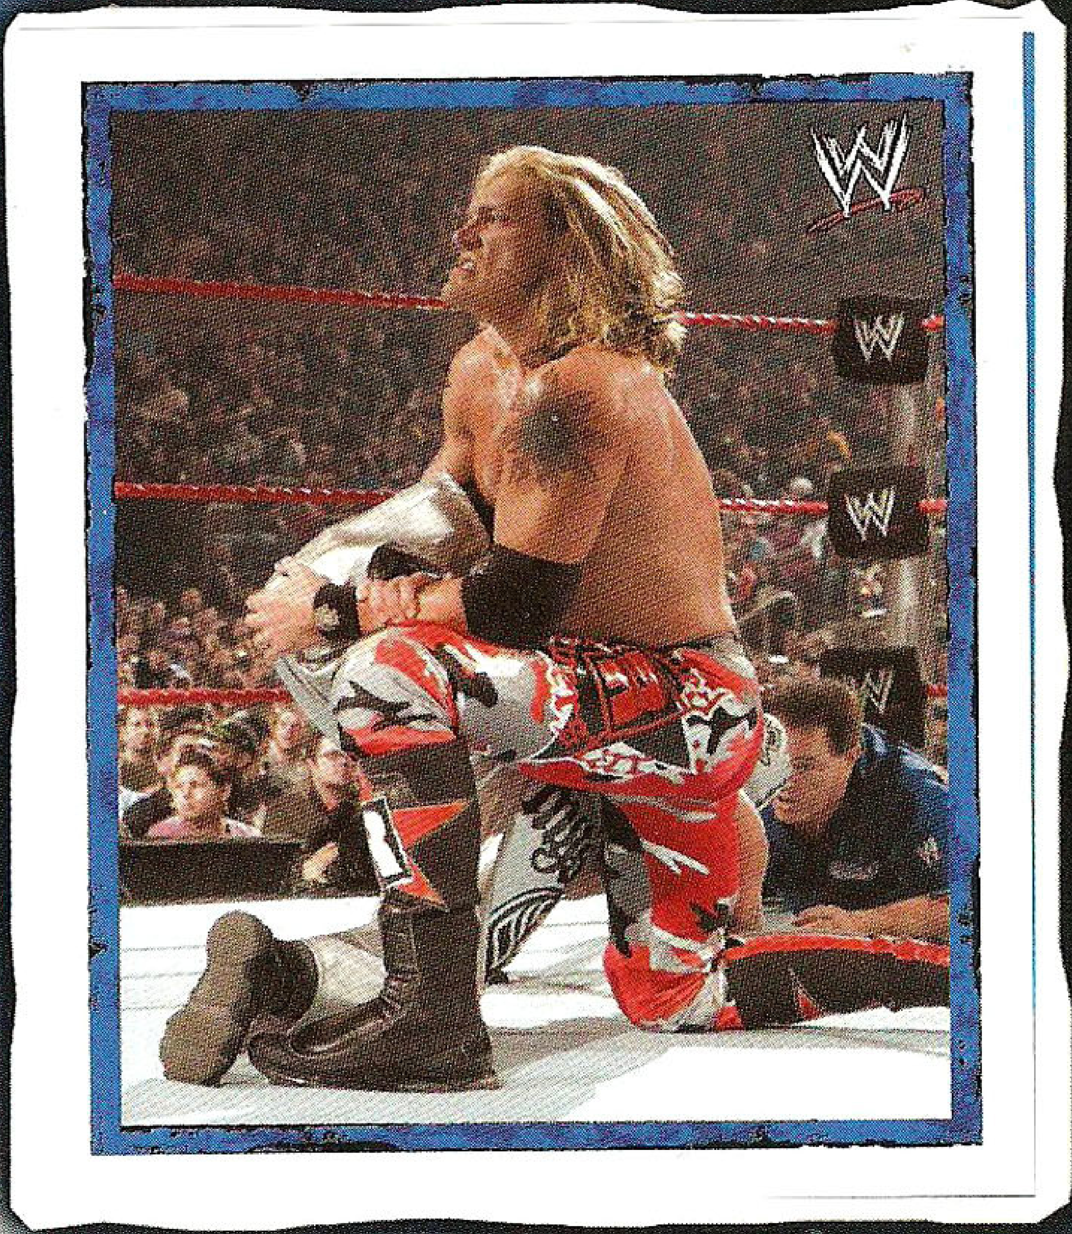

EDGE®

Za nekoga koga često opisuju kao „usamljenog vuka", Edž je jedan od najhvaljenijih tag team takmičara svih vremena, mada on uglavnom dominira singl scenom. Prozvao se Rated-R Superstar. Mnoge svoje protivnike porazio je pomoću svog prepoznatljivog zahvata „strela" i tako postao jedan od najdominantnijih takmičara u poslednje vreme. On je agresivan, opak i nepredvidiv. Verovatno je on najomraženija WWE super-zvezda. Nemojte nikako misliti da znate koji će mu biti sledeći potez!

Gradeći svoj imidž, nepromišljen i neobičan, Hardi je započeo svoju WWE karijeru kao jedan od Hardy Boyz sa svojim bratom, Metom. Zajedno su osvojili svetski tag team šampionat šest puta. Od nedavno Džefova singl karijera je u usponu i smatraju ga budućim WWE šampionom.
